Hank: Hello and welcome to Games with Hank, I'm Hank, this is games with me. The game today is gonna be Game of Thrones, the Telltale Game, it's a Game of Thrones game, and uh, last time on this game, I delivered a message and a sword to the Forresters and told them about the North Grove which is a mythical land that nobody knows about except for me, and then I got assigned to the Wall, which terrified me, the character, but I was actually, I, me, Hank, was pretty enthusiastic about the possibility. So, we're going to start playing the game now!

Alright! The Northerners will never forgot, Tyrion Lannister everyone. Alright, alrighty right. Oh I've found myself on a nice little-

Talia: Ethan?

Hank: - terrace uh thing. Ethan? We're looking for Ethan? Who is the new king of uh this... uh, the House Forrester? The new Lord I guess, not king. He looks like Benedict Cumberbatch was a little boy! I wanna see a picture of Benedict Cumberbatch as a little boy! Uh, let's see if I can find that it would be on the screen right now! Adorable? I don't know yet!

Talia: If he were smart, he would reveal himself.

Hank: Uh, but I'm not smart. Oh, Ryon. I think his name is Ryon.

Talia: Ethan's fine, he's just forgotten this is a game

Ethan: You found me! Well done Ryon!

Hank: You found me! With your complaining and whining!

Ethan: Don't worry! It's just a game -

Hank: Yeah nothing's ever gonna go wrong! People won't die all over the place.

Ryon: I thought we'd never find you again.

Ethan: I'm right here, and I promise I'm not going anywhere.

Hank: That's not how this works. That's not how hide and seek works. No one explain the rules to you, lil kid? Dummy.

Ryon: I wish Mira was here, and Asher, and, and Rodrik.

Talia: I do too, but Mira's in King's Landing, and-

Hank: Yeah, well, some of those -

Ryon: Can't she come home? I don't want her to die too.

Hank: I think Rodrik may have

Talia: Ryon she's perfectly safe, I promise you

Hank: Yeah, there's a lot of unpleasantness.

Ryon: I don't want Gared to die either. Maester Ortengryn said he got sent to the Wall!

Hank: King's Landing is not a safe place. Lies!
