Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

It's Black Friday! Well, it was Black Friday, now it's Sunday. But our Black Friday sale is still going. And our Black Friday sale is that everything on dftba.com right now is 20% off and that includes everything, everything the light touches is 20% off. And that includes brand-new products that we just started selling on Black Friday, like this brand new glow in the dark No Edge shirt, this Don't Forget To Be Awesome shirt, Michael Aranda's brand-new Abraham Lincoln shirts, these new nerdy button packs, and these three very cool Rhett and Link hoodies.

So that stuff and a bunch of other new stuff is available as of Black Friday and right now, like I said, everything is 20% off, so you should go get it while you can at that price because tomorrow, Monday, at, ahh, what time? Uh, midnight Eastern Time, the sale is over. Everything goes back up to its regular price. You can still get those items I was talking about but they're gonna be more expensive.

So head on over to dftba.com right now if you want 20% off everything you order and maybe pick up a Fort Awesome shirt! I don't know! There's a very, very limited supply right now - we're down to, like, one of each size, but if you want to nab one of those ones: 20% off. Which, I mean, right now we don't even have room for Fort Awesome in the warehouse because we got so much stuff going on! But, uh, it's here! Don't worry! Still here.

But that does it for this week, guys, so don't forget to leave your questions, your comments and your favorite thing you ate for Thanksgiving down in the comments below. And as always, the links to every single thing I talked about this week will be down in the flap. And you can always find me over on my channel at youtube.com/matthewgaydos or on Twitter, @MatthewGaydos. So I will see you guys next week with a brand new episode of The Warehouse and until then, don't forget to be awesome.
