Rachel: Happy Friday guys. It's April 22nd and just another day of VEBDA.

(Intro)

I'd say we have a few things that can celebrate Earth, like this Minute Earth shirt, this In a Nutshell Earth shirt. Also as part of Earth Day I wanted to talk about our recyclable packing materials. Basically everything that we use to pack is recyclable, like this bubble mailer: recyclable. Like this sticker pack mailer: recyclable. Like this box. Cardboard and this bubble wrap: recyclable. Or this packing. Recyclable.

Thanks for joining us on Earth Day and celebrating our planet. See you on Monday, and don't forget to be awesome.
