Hello and welcome to Hank Green plays Portal. We are now in portal chamber 13.

(0:07) We haven't faced anything really deadly yet. (*GLaDOS: ...feel free to pass out. An intubation associate will be dispatched to revive you with peptic salve and adrenaline*) Okay. Peptic salves and adrenaline. Sounds good.

(0:38) What do I need to do here? To get that thing in that thing. Okay. Go on through, come on down. Excellent. You're moving now. Oof, almost missed that. Hello, why can't I get off of this? Why can't I stop this crazy thing? Where am I going now?

(1:11) Yeah, first try! Where's the other thing? Other, gotta be another one somewhere. Aha, there doesn't have to be another one, *because I am so smart!*

(1:28) (*GLaDOS: As part of the previously mentioned required test protocol, we can no longer lie to you.*) That's not true GLaDOS! (*GLaDOS: When the testing is over you will be missed.*) You will be dead.

(1:42) *Aperture Science. We do what we must, because we can. For the sake of all of us, except the ones who are dead. Now there's no use crying over* - portal chamber number 14

(2:02) We've got the cube on your head, the energy ball in the face, the boiling sulfuric acid of death, do not drink the water and you must fly like a crazy man in this chamber.

(2:35) *We do what we must because we can*. Did you see how I already knew how to do that? That's because I've done this before, how odd. Oh look, they put stairs here for me. How nice of them. Faster man, faster.

(2:55) Alright, I opened the portal door. There's a thing here - I need the thing to come out there. That is blue and I need the yellow on the other side. So remember Hank, yellow, orange, whatever color that is. Do not hit the blue.

(3:22) Oh geez, oh geez, right, right. Oh, so the acid, oh the acid of death. Good, next. Orange. Phew. I was worried for a second there that that was not gonna (*GLaDOS: Very very good.*) Very very good. Thank you GLaDOS, I'm so glad that you're proud of me. I'm a little bit proud of you for being so very creepy.

(3:59) Alright. Alrighty righty. Four minutes into this episode and I have, I have done I think I've done two chambers already, so that's good time. And I'm back in the sparkly elevator, and I'm loading.

(4:15) So I don't know what else is going on, besides my apprehension for Portal 2, but, you know.

(4:27) Where'd it go? Okay, I have to get through that somehow. Ah, I see. Nope. Yeah! *I am the master of awesome!*

(5:05) What is this? What is that? What is this? What is that? So many things. So many things. Can I walk through this? No I can't! That disrupts my portal. I don't know - what the frick? How do I fix that problem? I'm confused. So I do this, and then I do this.

(5:39) Ah, balls. Oh, I did. It got through. Um, well at least I've got the mark on the wall now. So is that going to work? Yes! I'm so good at games!

(5:59) Die! (*GLaDOS: Vital testing apparatus destroyed*) Yeah, vital testing apparatus destroyed. That's because that's what I do. I'm a vital testing apparatus destroyer. Fall! Okay, anyway. I am not a big fan of your vital testing apparatus. I did not sign up for this! Can I make that any more clear? I did not sign up for this.

(6:31) Not going to make that. So I need the blue one and I need to do it here. Blue one! Oh, I see, I see, I see, that is hard. I need another blue one to go there, before I land. Okay, here I come. Yeah! I'm good at this game!

(7:00) Where am I? This is hard. This - oh my God, this is a long level! Okay, we'll try and finish this in less then ten minutes, but I am not convinced. Okay. Should I step on this? It is not moving. It is not currently moving, okay. So I have to go through that. No. Okay. I am at least there.

(7:40) Does that get me what I need? Yes! Yes! Yes, yes yes. How do I get back over this wall? Like that, that's exactly how I get back over.

(8:00) Okay. Oh my God, I can't believe I did that so well. Geez. I was freaking out that whole time. Oh my God, how long is this level? Okay. Alright. Does this take me upstairs? Going upstairs on this little elevator thing. This is a long, long level.

(8:40) Okay. That, where do you hit the ground? You hit the ground there. And then this - what does this do? It times something. Ohhhh! Not good! Please do not make me do that all over again.

(9:09) Oh good. Phew. Alright, well, next time I will not do the thing where I kill myself. So that opens one door and that opens the other door. You gonna get through? Ohhhh, yes! Yes! That was freaking awesome! (*laughing*) That was close, that was close. Sorry if that was loud, everybody, but man, that was exciting. I was pretty sure I was not going to get that, and I did! That was pure luck, I didn't even know what I was doing! Man!

(9:58) Thank you for watching this episode of Hank Green plays Portal. I am feeling amazing right now so I hope that you enjoyed it. Next time you won't see me and I won't see you, but you will hear me because that is what I do. I talk into this microphone and play video games. Alright, thank you, and goodbye.
