K: Hello and welcome to Hankgames without Hank.

H: I'm actually over here.

K: He's just watching. Not actually playing. I am Katherine, and we are playing Legend of Zelda: Skyward Sword. You are watching and I am playing. Mostly I have just been pushing A. But, this time, I am going to learn how to fly my loftwing Toothless. So... I'm gonna jump off this edge, and... hopefully not die.

H: They've been standing up there for a long time.

K: Here we go! ... Oh. Okay. That was a bit of a... um, anticlimax. This Zelda is not my favorite person so far. She totally just pushed me off a cliff. Just press 'down'.
No one's worried?! No one's worried about this? Okay, God. We finally are worried. Wow. It's kind of like... On Pandora or whatever. Is that what it's called? Pandora, in Avatar? Yeah.
