Lizzie: Good afternoon, everyone! Well, it's afternoon for me, I don't know what time it is for you. But, uh, whatever!

So, right now Mom is making dinner, and I thought I would take some time to answer more of your questions. And since there are a ton of them, my name is Lizzie Bennet and now I will answer more questions!

[intro plays]

Lizzie: From TheSarahCullen on Twitter: How important do you think first impressions are? Less so, now.

From Becca S. on Facebook: Have you ever played tennis with Gigi? No, we never got the chance, but I am sure she would crush me.

From MoonyBalloony on Twitter: How much Ghirardelli have you had in San Francisco? Be honest. Well, I did go a couple times while I was up there. Here's a picture Gigi took.

From ConnorVolturi on Twitter: What's your personal opinion of seahorses? Now that I'm around them so much, they're growing on me.

From Melanie T. on Facebook: What exactly does Pemberly do? I feel like I don't quite understand. I know it's kind of confusing, but they are mostly involved in videos and app development and, uh, just check out their Facebook and website.

From SeaTatters on Facebook: If you could choose what era in the past you were born in, which would you choose? I have to say I'm really glad to live right now. You know, with the right to vote and own property and go out without a chaperone. But I am a really big fan of empire waistlines. Those can come back anytime.

From Lisa L.B. on Facebook: Tiger or eagle? Tiger! Rarrr.

From Bente V.L. on Facebook: If your hair were made of chocolate, would you eat it? No, because I'd be bald, and probably diabetic.

From Philambool, PhilAMbool, Philamboule on Twitter: How is Jane doing? Do you have any news? Well, you know that Jane's home and Bing is back in town, but I am not exactly sure---

[door knock]

Lizzie: Come in.

Bing: Hey Lizzie!

Lizzie: Bing! You're back!

Bing: Sorry, I, uh, your mom invited me to dinner.

Lizzie: Oh, of course she did.

Bing: Oh, I hope that's okay.

Lizzie: Oh, yeah! I--does Jane know that you're here?

Bing: She knows that I'm coming. I called ahead. I heard you talking, and I just thought that maybe she was in here, but, uh, you're obviously filming.

Lizzie: Yeah, that happens a lot.

Bing: So, I'm sorry to bother you. Oh, you know, actually, I left a bag here---

Lizzie: Oh, the Snickerdoodles, yeah I, uh, gave them to Jane.

Bing: Oh great, did she, uh . . . No, never mind. I'll, um, I'll ask her myself. I'll see you at dinner, Lizzie.

Lizzie: Bye Bing! So, uh, keep asking me all those good questions in all the places where you can ask me, and, uhh, who am I kidding? This is going to be weird.
