Lizzie: So, I have some time to kill while I am waiting to have lunch with Gigi and I thought it's been awhile since I've done a Q&A video, so why not answer some questions? My name is Lizzie Bennet and here are some answers . . . while I wait.

[intro plays]

Lizzie: From Patrick C. on Facebook: What's your favorite thing to do when it's raining? Well, stay dry, and just curl up and read a book.

From SquishyBojangles on Tumblr: What did your dad say when you turned down Mr. Collins' job offer? He said I did the right thing. He wants me to follow my heart.

From Tulisca on YouTube: How do you think your mother would have reacted if one or even more of your sisters turned out to be gay? Oh, I can tell you *exactly* how she'd react.

Lizzie as Mrs. Bennet: Oh that's wonderful, dear. You're still gonna get married and have babies, right?

Lizzie: From Allie M. on Facebook: Do you like answering questions? Yep, it makes me feel closer to you guys and sometimes I forget to tell you things, you know?

From KensyLandy on Tumblr: Can you do a shout out to Dubai? Thanks for the fantastic videos! Hi Dubai! I can rhyme.

From LittleRaySunshine on YouTube: Why is it called Collins & Collins? There's only one Collins, right? The other Collins is Ricky's dad. Apparently, he was the first investor, and Catherine de Bourgh was the second.

From IzzieTheHut on Tumblr: Has it ever occurred to tell Bing about the videos yourself? At this point, I'm not even sure if Bing finding out about the videos is a good thing.

From Monica S. on Facebook: Do you play the piano? No, I don't, and it's weird, but I seem to get asked that question a lot.

Gigi: Hey Lizzie, all set. You ready to go?

Lizzie: Yeah, just wrapping up--Oh, hey! Question for you.

Gigi: Yeah sure, what's up?

Lizzie: Kind of random, but, um, do you get asked a lot if you know how to play the piano?

Gigi: Oh, yeah, a lot, it's kind of annoying. Growing up I had a lot of people who wanted me to play, but I don't.

Lizzie: Oh, sorry to bring it up.

Gigi: Oh no, it's fine, I'm used to it. You know, hopefully people will see us for who we really are and not by what we do.

Lizzie: Yeah, hopefully.

Gigi: Shall we?

Lizzie: Uh, yeah, uh that's it for another round of questions and answers. Keep those questions coming. I am off to see the city, one lunch at a time.

Gigi: Oh, uh, what are you doing next weekend?

Lizzie: Uh, no plans yet.

Gigi: What do you say we take a day and show you around the city? Me, you and William?

Lizzie: Don't feel obligated.

Gigi: Just think about it. It'll be an adventure.

Lizzie: Okay, I will.
