[Lizzie:] From whygrace on YouTube: "Can we have more questions and answers videos?" Your wish is my command. Done! Okay well that's it. So thanks everyone for tuning in for another great Q&A episode and keep asking those questions [laughs] and I'm just kidding. My name is Lizzie Bennet and this is Lizzie Answers More Than One Question. Lizzie Tells the Real Story, Bitches! Lizzie Answers Questions on a Saturday. Wait, what day are we uploading these again? Saturdays, whatever.

[Lizzie:] From thatglasshedgehog on YouTube: "Lydia is literally crazy. How do you put up with her?" Please, Lydia is only pretty crazy, maybe more alien than crazy, but my mother-*my mother*- is crazy. How do I put up with *her*? Well you know what they say, you don't have to be nuts to live here, but it helps.

[Lizzie:] From voldecort on YouTube: "Another universally acknowledged truth is that a zombie in possession of brains must be in want of more brains." Okay, not really a question, but it does probably explain why you can never negotiate with zombies, you give 'em one brain, they just want another one.

[Lizzie:] From smfortissimo on YouTube: "Charlotte's pretty much amazing. What does she do, or what does she want to do? Is she in grad school too?" Charlotte is going to be the world's most amazing filmmaker.

[Charlotte:] Unless I starve first.

[Lizzie:] She's so super talented.

[Lizzie:] From merylrose on YouTube: "What do you and Charlotte like to do together. Myself and my since-fetuses best friend and I do all sorts of crazy things together." Oh yay for from fetus best friends! You're right Charlotte and I hang out all the time. Our best caper days were probably in college. There was this one time when we went to the store looking for Diet Coke, which they were out of, so Charlotte suggested that we-

[Lizzie:] And I'm not sure how the marmoset got in the back seat. When we saw it we were like AAAHHH! So then we called Jane-

[Lizzie:] Charlotte, you sure you don't mind me telling this story to the Internet?

[Charlotte:] Nope, not at all.

[Lizzie:] From hadaisylol on Twitter: "We always hear about your love life, but how is Charlotte's love life going? #Curious" Uh, hey, Charlotte, the Internet wants to know about your love life.

[Charlotte:] Yeah, so would I, let me know when you find it.

[Lizzie:] Tintanfinger on Tumblr: "If your moms went into labor at the same time your birthdays should be no more than one day apart so how come you and Charlotte didn't celebrate your sixth birthdays together. I see a lot of drama in that story."

[Charlotte:] See, that's what made it worse, she had her own presents to open.

[Lizzie:] I have no recollection. From onetwothreebandgeek on YouTube: "Is that orange-yellow book towards the far- right of your bookshelf a collection of stories by Edgar Allan Poe?"

[Lizzie reads excerpt from book:] "Though thy crest be shorn and shave, thou," I said, "art sure no craven, ghastly grim and ancient raven wandering from the Nightly shore. Tell me what thy lordly name is on the Night's Plutonian shore!" Quoth the raven-

[Charlotte:] "Nevermore."

[Lizzie:] So, that's all the questions for today, for real this time. [laughs] Remember to ask more on Twitter, Tumblr, Facebook, YouTube, Google Plus-are we still doing-is anyone on Google Plus? What is Google Plus? Also, don't forget to check out our new merch! That's right, you asked for it, and here it is. You can get a really cool shirt like this one, or these really cool buttons. There's Jane, Lydia, Charlotte, and of course me! Aren't we cute Charlotte?

[Charlotte:] My eyes are ginormous!
