Lydia: So I may be kind of hiding from Mary. I mean, she's being totally awesome in helping me study for my midterm, I am just so bored. Studying is hard. Memorizing facts would be so much easier if we could just make it a drinking game- ooh! Or just not do it!

Mary: Busted!

Lydia: Oh, um, no. No, no, I was just recording a video for... my Mom!

Mary: Mhmm. it's ok. We're allowed to take study breaks.

Lydia: (breathes in) Good. Being on a vlog by myself isn't as fun anyway. And neither is studying!

Mary: Hey! You're really getting the hang of... learning things. Um. I mean, when you actually put away your phone and focus for two seconds, anyway.

Lydia: Kind of like the people of Zanzibar were forced to do during the month-long power outage of 2008?

Mary: (laughs) Exactly, see?

Lydia: I wish we went to the same school. Studying with you is a lot easier than trying to do it by myself.

Mary: You could always transfer next year.

Lydia: Assuming I don't get stuck in community college a fourth year!

Mary: There is no way you're not going to nail this midterm. You've got me. Though I do have to be at the pizza place in two hours for work, so...

Lydia: Ugh, that sounds so gross.

Mary: Well, I've got two years 'til grad school and it's not going to be cheap so... Uh, besides, Danny works there now, so it's been kind of fun.

Lydia: Awww, Mary's making new friends! I knew getting a boyfriend would help. (gasps) Speaking of him, how is he?

Mary: Yeah, Eddie is a topic for another video, slash, never.

Lydia: Slash next time! We are in serious need of some girl talk, Cuz, don't think I have forgotten!

Mary: And don't think I've forgotten; we have more studying to do!

Lydia: Uhhh... Bleaggh.
