Some people saw my ad for a position working at Freddy Fazbear's Pizza. I can still taste all the blood...

Hank: I'm here for a new job. I am unemployed and I need a job and apparently there's a night watchman position available at Freddy's Pizza.

Test Subject 934 is Hank Green. He is excited to work for me.

Hank: It's basically about The Rock-afire Explosion, the fake animatronic band that played at Showbiz Pizza when I was five. I'm not even joking, kind of a dream come true for me.

Test Subject 933 distracted him while me and my friends talked about who would stuff him into a Freddy Fazbear suit...

Voice: Welcome to Freddy Fazbear's Pizza, a magical place where kids and grownups alike...

And roll around in his blood. He wasn't scared yet... So we killed Test Subject 933.

Voice: I always wondered what was in all those empty heads back there, you know. Oh no.

(Scream)

Hank: They're just animatronic dolls so they wouldn't move. Why would they move?

We started to move. And watched him...

Hank: Ahh! Where'd you go?

We cut off the cameras. Time for some fun.

Hank: Oh god, the camera, the camera stopped working. Why did the camera stop working.

(Scream)

Hank: Ahhhh! (Slow-mo scream) Aaaahhh! Why isn't my door working!? Oh no, Freddy's out.

(Scream)

Hank: Aaahhhoooah! (Slow-mo scream)

(Scream)

Hank: Oh, why did I do that!? When is it gonna be 6!?

Never.

Hank: Give me a little more time. A little more time! I don't wanna die.

Test Subject 934 begs for his life...
