Maria: Hi, I'm Maria Lu. still doing my blogging at the suggestion of my older sister/boss, Charlotte.

So I've just started here at Collins and Collins, and already Mr. Collins himself has said "hello" to me. Twice. (laughs) How cool!

Yesterday he stopped by my cubicle to see what I was working on, and he suggested that the best way to learn about web video was to watch web video.

It's my job to watch web videos! How awesome is that? If you have any recommendations, just let me know in the comments.

Of course, I started watching my sister's web videos, The Lizzie Bennet Diaries. Did you guys watch yesterday's update?

Oh my god, I cannot believe Lydia did that. And then George Wickham, he was right there! I-I, like, I would've died. And then Lizzie, she was just like --

Charlotte: What are you doing?

Maria: Making videos. Twice a week. Just like you said.

Charlotte: You can't make a video about Lizzie's videos.

Maria: Why not? You did such a great job on them.

Charlotte: I don't work with Lizzie anymore.

Maria: I think she misses you.

Charlotte: If she missed me, she would've left a message when she called the other day.

Maria: Well, she just said, in... wait, aren't you still watching the videos?

Charlotte: I just started a new job, I am incredibly busy. Just please, find something else to talk about in your videos, okay?

Maria: Okay.

Charlotte: Thank you, and let me know if you have any questions.

Maria: Oh, question!

Charlotte: Yes?

Maria: Uh, why do you call Ricky "Mr. Collins"?

Charlotte: Uhh... (pats Maria's head and leaves)

Maria: Okay then!
