Maria: Is this going to be the official Collins & Collins vlog?

Charlotte: No.

Maria: Then is this for one of your clients?

Charlotte: Think of this as a test run.

Maria: Test run?

Charlotte: You wanted that recommendation at the end of the month, right?

Maria; Yes! That would be the most awesomest thing ever! Okay. Oh! If I do a good job, do you think this internship could turn into something permanent?

Charlotte: One step at a time. You just got here, you still have school and you might not like web video production.

Maria: What's not to like?

Charlotte: Anyway, if you want to impress Mr. Collins, you have to show him something polished. Professional. So you can't look like a deer in the headlights.

Maria: Oh.

Charlotte: And you're on.

Maria: I don't have anything to say.

Charlotte: (off-screen) Just look at the camera, pretend you're talking to your best friend, and say whatever's on your mind.

Maria: Right. Whatever's on my mind. Oh my god, I don't have anything to say. Um... I mean I can't just talk about anything! Maybe it's just better if I stay behind the scenes?

Charlotte: (off-screen) You were talking my ear off about something all the way into the office this morning. How about that?

Maria: You mean the new season of *Doctor Who*?

Charlotte: Sure, that.

Maria: Oh my god, oh my god, oh my god, oh my god! Okay, okay, okay! Dinosaurs? On a spaceship. A spaceship! *stutters* And and and the girl? The Dalek. Who is she? What is she? And Amy. I don't want her to leave. She can't. She can't leave! Okay? And and, and, it better be awesome. And Rory? Whatever happened? What happened? Like... But they they were just so... I mean.

Charlotte: See? I told you you could do this.
