Hello and welcome to Games with Hank. I'm Hank, this is games with me, Hank. We started off this channel doing Oculus stuff and we haven't been doing a lot of it lately and people have been complaining in the comments. So I'm wearing this on my head just so you can see it while we play a non-Oculus game. Kidding! We're gonna go on a roller coaster in Minecraft. Someday here on Games with Hank we will actually play Minecraft but right now we're just gonna roller coast through it.

OK, we are now in Minecraft world. We're headed up a very tall roller coaster. There's some awesome music. I've got an arm, my little block arm is just sticking out there with a sword just in case I need to stab anything. We're really high up into the clouds here you guys. It's really high... Oh, that's a long way down. There's a nice little Minecraft town over there.

Oh god, oh god, oh god, oh god, oh god, oh god, oh goooooooddd! (Singing) "I came in like a wrecking ball!" Oh, gah.. Oh, don't move too much, it gets really crazy! Arrwehh... What's happening?! Wooaaah! Jumps! We did a jump! Oh, that's not safe. Another corkscrew. Ooooh god! Wha... I feel like not moving at all 'cause as soon as I move... Oh that's pretty. It's nice! Hoooohrrrr! Hrrrrr! I keep expecting... (Laughing). Hooo!

OK. I'm gonna try it standing up. I'm under theeeee... God, wow! Wow! Huh! Vertiginous! This part is too much. Wheeeee! Huurrr! OK, I'm just standing, I'm just standi... Ooouuurrr. Ah! It's really hard not to respond. Loop de loop! Take me down! Take me out! Huh. Wow. (Laughing)

That was fun and also very short so I'm gonna tag on another game.

(What Is Love by Haddaway plays in the background)
I gotta nod. I would never hit my head this way. Streak? Multiplier? Oh yeah! This is an awesome game. OK. Oh. Wha, huh, huh, huh, hmm. OK, I'm getting it. I'm starting to get the hang of this. (Laughing) Complete! I completed. Results! 27,000 points you guys! 27,000! I don't know how I got to the point where I was completely oriented wrong in the car but other than that I feel very accomplished. Hey, oh the cops! The cops you guys! Go, go!

Thanks for watching this episode of Games with Hank. I have been Hank and the games have been the Minecraft roller sco... roller scoaster and Night at the Rocks with the head bobbing and the deeahh... That was fun. Thanks for watching, DFTBA.
