Hello and welcome to Games With Hank, I'm Hank and this is games with me.
Today we are going to be playing a game called A Chair in a Room which is apparently a horror game in which I sit in a chair in a room. There's possibly some kind of mystery element to it. I haven't done a lot of research, because I want to be surprised.
So you! Come be surprised with me!
Alright we're in a chair in a room, I'm gonna take a look around to make myself familiar with my surroundings.

It's interesting to just uh, for uh, games to be um, basically "experience this". It's like a movie that's happening and you're just not aloud to move, and it's happening all around you. And it's terrifying.
Thanks for watching Games With Hank, I'm Hank, that was scary, DFTBA.
