Gigi: Hey everyone, so a lot can happen around here in 48 hours. My brother left the offices yesterday and I haven't really talked to him since. But, you know what, I am not going to go into details, because the show - or the demo - must go on.

So the next thing I'd like to demonstrate about Domino is the awesome messaging feature. Domino message Fitz Williams. You know what, no. Domino, cancel message. Domino message William Darcy. What are we going to do about the incident? So, now we wait for a response from William Darcy, and if I know him at all, that shouldn't take more than-

[Message from William: 'Nothing']

Gigi: Wait, what? No, Domino call William Darcy, now!

[Calling tone]

Darcy: Gigi.

Gigi: William, what are you doing?

Darcy: Nothing that concerns you.

Gigi: Oh it is absolutely my concern.

Darcy: Are you calling me on the demo?

Gigi: Yes... but don't change the subject!

Darcy: This conversation is over.

Gigi: No, William don't hang up on me! Just... at least tell me you're helping them.

Darcy: I am trying.

Gigi: Then I am helping too.

Darcy: Gigi, I forbid you to be involved in this. You're too vulnerable.

Gigi: I'll be fine.

Darcy: You weren't last time. Do you remember what that was like for you? I cannot see you hurt again, this could re-open every wound you've healed since.

Gigi: I'm stronger now.

Darcy: Are you?

Gigi: It doesn't matter William. Just think about that family! We cannot let this man hurt anyone again. I need to help you.

Darcy: I'm not discussing this anymore. Not here, not now.

[call ends]

Gigi: No, William! This is not over! Ugh! [sighs] Domino end recording.
