Gigi: Hey everyone. Gigi here. Well, you already knew that but... I, uh. If you're wondering if he has, um, messaged me back yet, that would be a no. And if you're wondering if I've texted him several more times after that, that would be a yes.

Whatever. William and Fitz are still trying, but whatever he did, whatever deal he made, I just ca-I just can't believe that video is going to get out. I'm sorry. I'm just so sorry. The lives of that family, because of him. I should have seen this coming, and I should've warned everyone months ago.

What the hell? Domino, call George Wickham.

[calling tone, then automated voice: 'record your message after the tone']

Gigi: Um, hey George. I-It's Gigi. I, um, I've been texting you, and I really need for you to call me back. We need to talk, it's important. End call.

Well, it was worth a shot.

Gigi: Answer. Hello?

Wickham: Hey Peach, wow is that you?

Gigi: Hi, George.

Wickham: Wow, it's been forever, I miss your face. Oh hey, are you still swimming? Wait, whats this? Push for video...

Gigi: Oh, no, no. Don't push that!

[video of George Wickham appears]

Wickham: Aw, that's cool. Man, phones these days. Your brother continues to do amazing things. And you are just as pretty as I remember.

Gigi: I need you take down that website.

Wickham: Gigi, I had nothing to do with that, you gotta believe me.

Gigi: George, don't lie to me.

Wickham: I can't do anything about it. The tape was stolen from us.

Gigi: Why are you doing this?

Wickham: I was the victim here, just like her. I'm sorry but we were in love.

Gigi: Just, take it down.

Wickham: I, I wish that I could, really. For everybody's sake.

Gigi: Where are you? Right now, tell me where you are.

Wickham: I'm, I'm hiding out until this whole mess blows over. If you were the one in the tape, you would be doing the exact same thing. I can only imagine what she must be going through-

Gigi: George Wickham, just tell me where you are!

Wickham: Look, I really hope your brother finds who did this, because time's running out. I gotta go. Bye.

[call ends]

Gigi: God, I'm sorry, excuse me.

[on screen text: 'Incoming call: William Darcy']

Gigi: Um, answer.

Darcy: Gigi, what did you do?

Gigi: I'm sorry William, I called him. I know I wasn't supposed to, but I had to try. Please, please don't be mad at me.

Darcy: I'm not mad. I only need to know if you're alright.

Gigi: I-I don't know, I'm sorry, I know you warned me, but I had to try, I thought it would help.

Darcy: It did.

Gigi: What?

Darcy: He downloaded Domino.

Gigi: Yeah, he activated it, and I saw his face and- and he downloaded the app... He accepted the terms of service, you can see his info, you can use that, right?

Darcy: Get some rest, Gigi, I will see you in a couple of days.

[call ends]

Gigi: Domino end recording.
