(Intro)

Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

First up, I want to talk to you about the tank tops that a lot of you guys pre-ordered. They have started to come in here at the warehouse and we have already started shipping some of them. Most of the "Okay? Okay." tank tops went out on Friday and the rest of the tank tops will be going out throughout this week.

And now it's time for New Merch News. First in new merch, we have this brand new Emma Approved poster featuring Emma and Alex. And that is not a pre-order item, that is available right now. So if you order it today, it should ship out tomorrow.

Also available right now is the Lizzie Bennett diaries edition of Pride and Prejudice. Previously it was only available as a Kickstarter perk but it is now available on dftba.com for purchase.

And the last piece of new merch this week comes to us from Meghan Tonjes. A little while ago Meghan started a thing on Instagram called Booty Revolution, and you can now join in the fun by pre-ordering these brand new unisex Booty Revolution underwear and we expect to have those and start shipping them in late July.

And that does it for all the new merch this week but now it's time for NerdfArt. This week's NerdfArt is definitely one of my favorites. It comes to us from heispureblue.tumblr.com and it is this amazing tattoo punk-style thing of DFTBA nerdfighter stuff and I like it a lot. So definitely go check that out on Tumblr, the link will be down in the flap as usual.

And one last thing this week guys, LeakyCon is coming up. It's right around the corner at the end of this month and some of you guys have asked me to do a video like I did with the VidCon merch about the merch that we are sending to LeakyCon. And so if you guys want that let me know down in the comments and I'll do that for you probably next week or the week after so let me know if you'd like me to do that, OK?

But that does it for this week guys. Don't forget to leave any questions or comments you might have down in the comments section below. As always, the links to every single thing I talked about will down in the flap. And you can always find me on my channel at youtube.com/matthewgaydos or on Twitter, @MatthewGaydos. So I will see you next week with a brand new episode of The Warehouse and until then, don't forget to be awesome.
