Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

First up, apologies for there not being an episode last week, I was sick and just couldn't do it. But we're gonna go ahead and start of this week's episode with NerdfArt Corner. And this week's NerdfArt comes to us from illgetmerope.tumblr.com who drew these lovely three portraits of John, Hank, and I. So if you want to see more of their work illgetmerope.tumblr.com.

And now it's time for new merch news. First up, very exciting, we have Hank Green's new CD *Incongruent* by Hank Green and The Perfect Strangers which is Hank's band with Andrew Huang and Rob Scallon and Joe DeGeorge. And you can pre-order it right now, either the explicit or the clean version. All pre-orders will be signed so you should definitely go pre-orer it so you can get a signed copy.

Last week, had there been a video, I would have told you guys about these brand new Charles Trippy posters. They say 'We are CTFxC' and there are signed and unsigned versions. So of course you can go pre-order those right now on dftba.com.

Are you ready? Would you consider yourself a person who is properly prepared? No? Well have I got the thing for you and that is this TFIOS Preparedness Kit. It will properly prepare you for all *The Fault In Our Stars* feels you are bound to have. The whole thing comes in this lovely backpack with a lapel pin on it and there's postcards and stickers and candy cigarettes and tissues 'cause you're gonna need them. So you can go right now and pre-order this on dftba.com and get yourself prepared.

And while that does it for new merch this week, I want to tell you guys about a few things we have been sending out of the warehouse that you'll probably be excited about. First up, Charles Trippy merch. All of this stuff has been on backorder for a while and we've finally got it in and we're gonna start shipping it out, we actually started shipping it out last week, but we're gonna be shipping out more this week. So if you ordered some of this stuff while it was on backorder, no worries, your order is shipping out very, very soon.

Also, there's these four John Green inspired posters that recently came out and if you buy all four, not only will you save $8 on your purchase, but you can also take all four of them and put them on your wall in a frame, whatever, and they make this lovely big panoramic image when they're all together. So those are in the warehouse right now. You can go order them and they'll ship out right away.

And the very last thing I want to talk to you guys about this week is there are certain shirts that throughout this week are gonna be coming back in stock in very limited supply, so keep checking the website throughout the week. But I can tell you that one of these shirts that is currently back in stock in limited supply is the Fort Awesome shirt. So if you've wanted to pick up a Fort Awesome shirt and they haven't been available because they haven't for a while, they are now back on the website so you should go grab one while they're in stock.

But that does it for this week guys. Don't forget to leave any questions or comments you may have down in the comments section below. As always, the links to every single thing I talked about today will down in the flap and you can always find me on my channel at youtube.com/matthewgaydos or on Twitter, @Matthew Gaydos. So I will see you next week with a brand new episode of The Warehouse and until then, don't forget to be awesome.
