(Intro)

Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

It's beginning to look a lot like Pizzamas. That's right, it's that very special time of year. Pizzamas is once again upon us. It is the twelve days of Pizzamas and we have some very special Pizza John related items that you can only get during this Pizzamas sale. So that is what we are here to talk about today.

But first, NerdfArt. This week's NerdfArt comes to us from Hanklerfish Comic on Tumblr and it is Pizzamas inspired because some of you guys out there when you see the word Pizzamas written you read it as if it was Pizzamas, like pizza pajamas. It's not but Hanklerfish Comic thought it'd be funny if it was and so this picture happened. That is a picture of John wearing Pizzamas and I don't think Pizzamas are gonna sell very well. So if you would like to see that and some more art by Hanklerfish Comic on Tumblr, go to the link down in the flap to check that out.

And now it is time for a very pizza filled version of New Merch News. Remember that all of these Pizzamas items are only available during the Pizzamas sale so get 'em while you can because you probably won't be able to ever again.

First up we have a brand new Pizza John pint glass which is perfect for Butterbeer. We also have this brand new metal iPhone case featuring the Pizza John design that fits the iPhone 5 and the 5s. We have this Pizza John sticker set which features some new designs as well as some old favorites. We've got Pizza John magnets and patches. We even have a Pizza John baby onesie. And on top of all of that we have five brand new Pizza John t-shirts. We have the shiny gold Pizza John as well as the Obey inspired Pizza John. We also have a Bowie Pizza John as well as a blurry Pizza John. And we even have this Pizza John that glows in the dark. So those are your Pizzamas items. Get 'em now while you can 'cause it's Pizzamas and once Pizzamas is done, they're gone.

And to wrap up new merch this week, we have two non-pizza related items. We have this brand new Dumbledore quote shirt that says (coughs) "Happiness can be found even in the darkest of times if one only remembers to turn on the light." And we also have this Doctor Who inspired "Wibbly wobbly timey wimey" shirt. So you can go pre-order both of these shirts right now on dftba.com, links are in the flap.

But that does it for this week, guys. Don't forget to leave your questions and your comments and anything else you want to talk about down in the comments section below. As always, the links to every single thing I talked about this week will be down in the flap. And you can find me on my channel at youtube.com/matthewgaydos or on Twitter, @MatthewGaydos. So I will see you guys next week with a brand new episode of The Warehouse and until then, don't forget to be awesome.
