Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

Just a little side note before we get into the video here. I wanted to let you guys know that DFTBA now has Instagram. We're going to use Instagram to post fun pictures of things going on in the warehouse, when special guests drop by, and if there's a new sale or a new item gets into the warehouse that we're going to start shipping out we can post pictures over there and you guys can see it on a day-to-day basis rather than waiting 'til Monday to see these videos.

So it's kind of like The Warehouse but more square and with less movement. But we need to get a move on because we have a ridiculous amount of New Merch News this week. There's just a lot.

First up, we already talked about the Booty Revolution underwear but now we have a Booty Revolution T-Shirt that is just really cool, I really like this design. So you can go on over and pre-order this Meghan Tonjes Booty Revolution T-Shirt right now on dftba.com

Next up, and available right now is this Harry, I'm coming Home shirt, which is inspired by the song Home by Lauren Fairweather. I'll put the link for that music video down in the flap, so you guys can go check hat out.

Also this week we have this brand new Elemelons poster from Shitty Watercolor. And it features watermelon, firemelon, earthmelon, and windmelon. And that is available right now on dftba.com.

Also available right now on the website and not a pre-order item, you just order it and get it right now is this brand new Emma Approved mug. It says "everyone loves humans" and is available right now on dftba.com.

Next up we've got a special little section of New Merch News here called "New TFIOS Merch News." We'll work on the title of that, but for now, New TFIOS Merch News.

First up there is this "Okay" wire necklace. And this is not a pre-order item this is available right now as well.

But we do have a bunch of brand new *Fault in Our Stars* pre-order merchandise and here that is.

We have this brand new "I fell in love the way you fall asleep" poster. We have this "Okay? Okay" poster as well as this "Okay? Okay" mug. This Hectic Glow poster and t-shirt. This poster which features four different cover designs for *An Imperial Affliction*. And last but not least this brand new *Orange is the New Black, Fault in Our Stars* mash-up shirt that says "It's a metaphor, you potato with eyes." Which is a line that Pennsatucky says on *Orange is the New Black*, and the internet made it a thing, and now it's a real thing that you're gonna be able to wear on your body.

That does it for all of the new merch this week bu it's time for NerdfArt.

This week's NerdfArt comes to us from ossborn, ossborn.tumblr.com one of those is probably right. But it is this amazing *Fault in Our Stars* cake that I wanna eat and... I love when people make edible NerdfArt because it just, I wish, I just wanna eat it. It all looks delicious and this cake is amazing and it just got quotes and cigarettes - not real cigarettes. But I just wanna eat that. I want someone to make that and let me eat it. But go check that out on Tumblr. The link will be down in the flap and there's more pictures and you can see all the little, fun little details.

But that does it for this week guys. Don't forget to leave any questions or comments you might have down in the comment section below. As always the links to every single thing I talked about this week will be down in the flap. And you can always find me on my channel at youtube.com/matthewgaydos or hit me up for a chat on Twitter @MatthewGaydos.

And the very last thing before I go this week is I want to let you guys know that I will be at VloggerFair this coming weekend along with people you might know like iJustine and Charles Trippy and Shay Carl and Tyler Oakley. So yeah! If you're going to be at VloggerFair let me know down in the comments and ye-it'll be a fun time. I hope to see you there.

But I will see you next week with a brand new episode of The Warehouse and until then, don't forget to be awesome.
