[Opening sequence]

Hey there, I am Matthew Gaydos, and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

This week we're jumping right into the New Merch News, because it's just—there's a lot of it.

First up, this TFiOS pin that previously you could only get with the TFiOS Preparedness Kit, you can now get on its own, go to dftba.com, you can pick that up.

You guys may have seen these Wil Wheaton bottle cap necklaces in the past, but now we have a bunch of new bottle cap necklace designs. We have Rosie the Riveter, we have No Edge, we have the TFiOS clouds, we got the Mongols, we got Keep Calm and DFTBA, we got the Nerdfighter salute, and last but not least we have Pizza John. So all these designs are available right now at dftba.com.

And the last chunk of New Merch News stuff is tank tops. We finally have tank tops in our store just in time for these hot summer months coming up. Now available in tank top form is the My Thoughts are Stars shirt. We also have the DFTBA university-style design, as well as the Okay? Okay. clouds, and the always familiar Pizza John. But the very last design is a brand new design, and that is the Certified Book Addict tank top. So you can now go to dftba.com and pick up any of these tank tops you want. They are a racer-back tee, so they look like racer-back tees, [reaches behind back, attempts to illustrate what a racer back looks like] I was going to try and do that, but I can't, I can't reach. If you don't know what it is, da Google dat.

But that does it for this week, guys, don't forget to leave any questions or comments you might have down in the comments section below. As always, the links to every single new merch item will be down in the flap. As always you can find me at my channel at youtube.com/MatthewGaydos, or on Twitter @MatthewGaydos.

But I will see you next week with a brand new episode of The Warehouse, and until then, don't forget to be awesome.
