(Intro)

Matthew Gaydos: Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

Today's going to be a short, tiny little episode 'cause there's not a ton of things to talk about, but we're going to go right ahead and jump into the exciting New Merch News.

The only pieces of New Merch News we have this week come to us from the man Charles Trippy, and they are these brand new pixelated pizza 1up shirts. Charles has this as a tattoo on his body, but now you can have it as a shirt on your body. There's T-shirts which come in four different colors and then there's tank tops which also come in four different colors, and those will all go up at midnight tonight for pre-order because it's Charles's birthday. Happy birthday, Charles. So, at midnight tonight you can pre-order all of those lovely shirts and tank tops.

So, that does it for all of the new merch and so it's time for, you know, NerdfArt. This week's NerdfArt comes to us from partialtojam.tumblr.com and it is these very, very cool laser-engraved and laser-cut wood acrylic jewelries, and yeah, go check those out. The link will be down in the flap as usual and you can see all of those things.

But that does it for this week, guys, so don't forget to leave your questions or comments or anything else you want to say down in the comment section below. As always, the links to everything I talked about this week will be down in the flap and you can always find me at my channel at youtube.com/matthewgaydos or on Twitter @MatthewGaydos. So I will see you next week with a brand new episode of The Warehouse, and as always, don't forget to be awesome.

(The Warehouse closing theme plays)

John Green: No, it's-
