Matthew: Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

Now today's a very special episode of the Warehouse and that's not just because it's LeakyConMerchApalooza but also because today is the 1 year anniversary of the very first episode of The Warehouse. So I just want to take a moment here to thank everyone who's ever watched and subscribed and shared a Warehouse video. And I also wanted to thank Alan and Hank who allowed me to make these videos in the first place. And I have to thank Dave who allows me to build giant cardboard forts in the middle of the warehouse. So I just wanted to thank everyone and all of you guys and just thanks for letting me do this thing.

So let's get to it it's time for the LeakyCon merch.
