(Intro)

Hey there, I am Matthew Gaydos and welcome to The Warehouse, a weekly show where we share the DFTBA warehouse with you.

So today's episode is going to be pretty short because I only have one piece of New Merch News; and that is this brand news TFIOS inspired iPhone case, with the clouds and the okays. So of course you can go pre-order that right now on DFTBA.com.

And one last thing before I go this week. I haven't done this in a while and that's because I forgot; it's time for NerdfArt. For those of you who are new and may not know what NerdfArt is it used to be a segment called Nerdfighter Art Corner, where I show of a bunch of my favorite nerdfighter art from Tumblr; and then we decided to shorten up the name just a little bit and so now it is NerdfArt.That capital "a" is real important.

This weeks NerdfArt comes to us from jeminabox.tumblr.com and it is this amazing art nouveau inspired Nerdfighter design: you've got the girl doing the nerdfighter sign; you've got the no edge and decreasing world suck; and just look at it. It's beautiful. So definitely go check that out at jeminabox.tumblr.com.

But that does it for this week guys, of course the links to everything I talked about today will be down in the flap; and remember you can always find me on my channel over at youtube.com/MatthewGaydos or hit me up for a chat on twitter @MatthewGaydos. So I will see you guys next week with a brand new episode of the warehouse; and as always Don't Forget To Be Awesome.
