(The Warehouse Intro)

Hey there, I'm Matthew Gaydos and welcome to The Warehouse - the weekly show where we share the DFTBA warehouse with you.

I don't have a lot to talk to you guys about this week but I will update you guys on the thing that I promised to update you on last week. And that is the Lizzie Bennet Kickstarter DVDs. Along with the books and the signed scripts and all that stuff, as soon as we have the DVDs here in The Warehouse, we'll be shipping all of that stuff to you. But as of right now, we expect all of the Lizzie Bennet kickstarter stuff to be shipped out by the end of November. Obviously if there are any updates to that timeline, I will let you guys know here on The Warehouse.

But that is pretty much it for this week guys so until next...

Matthew: I don't know, I mean I need to finish the video and... what are you doing?

Stefan: Im hanging out, listening to some tunes, I got some ladies coming over!

Matthew: Oh well, I mean I don't want to intrude.

Stefan: No problem man. The more the merrier that's what I always say.
