(Intro)

Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA Warehouse with you.

Guess whose birthday it is?!... It's Fort Awesome's birthday. And me and this fort have been through a lot together so I just wanted to something special and throw a party and have decorations and food and a clown and... not all of that actually happened... but streamers. Streamers happened.

So Happy Birthday to Fort Awesome and thank you to everyone who bought Fort Awesome shorts or built there own Fort Awesome when we had the Build Fort Awesome contest and just all of you I guess for watching the videos and appreciating the Fort Awesomeness that exists every week.

Let's go ahead and get into that thing we like to call New Merch News. We have one piece of new merch news this week and it's this brand new grey and pink "Hey!! Shh Don't" shirt. And the reason for the pink letters is that October is Breast Cancer Awareness month and Mike wanted to do this to raise awareness and some money. So he is donating all of his proceeds from this T-Shirt to the American Cancer Society. So if you like, you can go and pre-order this right now on DFTBA.com

And while that does it for all of the new merch this week, we do have a couple things that we've started shipping out this week that you guys pre-ordered.

If you guys pre-ordered the Hanklerfish shirt it is already on its way to you right now. We also got in the brand new Frankenstein MD hats so if you pre-ordered this it is also on its way to you. And last, but certainly not least, we shipped out... wait...

Carrot onesies. Carrot onesies. There was a lot of delays but finally these have all shipped out to you if you have pre-ordered them and you should have them very soon.

Now it's time for NerdfArt. This week's NerdfArt comes to us from willehrondale.tumblr.com. I'm sure I pronounced that wrong but I'll put it on the screen and I'll put it down in the flap so you guys can find it but it's this really cool Hank Green fan art. And they say if they get enough notes on this one they'll make a John one so if you want to see that go reblog and like this on Tumblr and yeah... the link is in the flap.

But that does it for this week guys, don't forget to leave your questions and your comments and your birthday greetings down in the comment section below. Of course, the links to every single thing I talked about this week will be down in the flap and you can find me on my channel at YouTube.com/MatthewGaydos or at my channel @MatthewGaydos.

So I will see you next week with a brand new episode of the Warehouse, and until then don't forget to be awesome.

Clown: I'm here for the party.
