(Intro)

Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

The very first and most important thing I must tell you today is that the back-to-school sale is about end. Tonight, September 8th at midnight, the sale is over! No more 20% off on posters and no more school supplies, so like folders and pens and stuff. If you wanna go get the notebook, you gotta get it now! 'Cause most, if not all, of those school supplies will not be available on the website after today.

But now that that's out of the way, we might as well talk about some of that New Merch News. First up and now available to pre-order on dftba.com is this brand new Hanklerfish shirt designed by nerdfighter Sylvia. I'm gonna go ahead and say it - that's a pretty good looking shirt! And as soon as we get them in, I'm gonna make sure one of them gets on my body! So if you wanna put one of them on your body, go pre-order it right now at dftba.com!

Also up in new merch news is this brand new t-shirt from the Hello Internet podcast, which, if you didn't know, is the podcast that features CGP Grey and Brady Haran. So that shirt is up for pre-order right now on dftba.com

So that does it for all of the new merch this week, but that just means it's time... For NerdfArt!

If you guys were unaware, Michael Aranda has a Subbable perk on his Subbable page where you can pay to be part of his Minecraft server, and some lovely person named Brian Rose made a Fort Awesome in the Minecraft server, and that is me standing there, inside of Brian's creation, and just... I'm a fan! I like it a lot! Thanks Brian!

But that does it for this week guys. Don't forget to leave any questions or comments or really anything you want, down in the comment section below. And as always, the links to every single thing I talked about this week will be down in the flap, and you can always find me on my channel - youtube.com/matthewgaydos or on Twitter @MatthewGaydos. So I will see you next week with a brand new episode of The Warehouse, and until then, don't forget to be awesome!
