Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you lovely people.

Let's go ahead and jump right into new merch news. New merch news. (Gets box) New merch news. So I only have one new product to tell you guys about this week. For April Fools' Day last week, Karen Kavett put up a bunch of designs on her Tumblr featuring Comic Sans, a font that doesn't necessarily have the best reputation. So now Karen Kavett's April Fools' Comic Sans shirt is a real thing, you can pre-order it right now but only until 11:59 pm on April 8th.

And while that does it for all the new merch this week I do have something else very cool to tell you guys about. You guys might remember a while back when Andrew Huang and Rob Scallon came and visited the warehouse. Well while they were here that day they made a music video and that is now up and you can click here or down in the flap to go watch it. It features guest appearances by Hank Green and Fort Awesome so go check that out and don't forget to also check out Andrew Huang's merchandise over on dftba.com.

But that does it for this week guys. Don't forget to leave any questions or comments you may have down below. As always the links to every single thing I talked about today will down in the flap and you can always find me at my channel at youtube.com/matthewgaydos or hit me up for a chat on Twitter, @Matthew Gaydos. So I will see you next week with a brand new episode of The Warehouse and until then, don't forget to be awesome.
