Hank: It's fine.
Nick: No, no no! Aww...
Katherine: It's like, you were first in line, but you just weren't going, so...
Nick: I often argue with the logic that a video game will let you do something that you would obviously not do in real life.
Hank: What do you mean?
Nick: Like-
Hank: Like run away?
Nick: Like ground-pound into the lava.
[Hank laughs]
Hank: This is *clearly* not my intent!

Nick: I don't do well at high elevations.
[Hank and Katherine laugh]
Hank: Such- ox-ygen. They never get tired, these people. Also they don't mind to die.
Katherine: Oh, he's gonna bang on the ground.
