Matthew Gaydos: Hey there, I'm Matthew Gaydos and welcome to The Warehouse - the weekly show where we share the DFTBA warehouse with you.

And first of all this week, I would like to thank you guys for your awesome responses to last week's video. I can tell you that I've read every single one of your comments and your product suggestions are fantastic. And all of your ideas from tea cosies to nightlights to hoodies to iPhone cases to just everything, has been shared with the people who make those decisions, so I wouldn't be surprised if a few of those things - probably not tea cosies - would be popping up on DFTBA in the next few months. So keep an eye out for those.

So, let's get to the meaty center that is the middle of the video sandwich. Metaphor. Because I have so many cool new exciting things to share with you guys so let's get into new merch news.

We'll start off with some new pre-orders that recently went up on the website. Mike Falzone has released a couple new products up on dftba.com. We have both signed and unsigned versions of this poster right here and we also have a new shirt from Mike which says 'Mike Falzone. An internet comedian who begged to be drawn as a 90's Wrestler The shirt will start shipping later this month while the posters are probably going to be more like early next month.

Now next up in exciting new merch news, I would like to welcome a new member to the DFTBA Family and that is Miss Hayley G Hoover. She has a ferocious new shirt available for pre-order right now on the website and that is expected to ship around the end of the month.

And while that does it for this weeks' pre-order's, we do have a bunch of new merch in the warehouse that's available immediately - no pre-order needed. It's just you order it today, we ship it out tomorrow and then you get it as quickly as the postal service can get it to you. It's just that easy.

So first up is this Lizzie Bennet Diaries cast poster. So you guys might have seen this poster previously on sale at LeakyCon or VidCon but now it's available up at dftba.com. And also in the "You can get it right now" category, are these 2 CD's from Jason Munday. There's the newest release which is 'The Collection' which features 12 songs including The Empire and Hey Mario. And we also have the new second edition of Jason's Skyway Flyer CD which features songs like California Dorks and Ready for Anything - and the second edition has 4 brand new bonus tracks.

And last but most certainly not least is brand new merch from the Harry Potter Alliance. We just got this 'Voldemort Just Didn't Get It Shirt and we also have some brand new handmade HPA necklaces that you can get with either a gold or silver lightning bolt and they come in these neat little hand-designs boxes here.

So in addition to all of that new merch news, I also have some updates on some older pre-orders for you guys. If you pre-ordered the Brave TARDIS Shirt, or any of the Fox Shirts, they're on their way to you right now. So expect them in your mailboxes fairly soon.

So that does it for this week guys. Don't forget to leave any questions, comments, concerns, products suggestions, just words you think are funny, down in the comments below. All of the links to everything I talked about today will be down in the flap and remember you can always find me on my channel YouTube.com/MatthewGaydos or on Twitter @MatthewGaydos. So I will see you guys next Monday for another episode of The Warehouse and as always....

Emily Graslie: Don't forget to be awesome.
