(The Warehouse Theme)

Matthew: Hey there, I'm Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA Warehouse with you.

First up, I wanted to update you guys on an older pre-order. You may remember that a while back I told you about "My Muggle Friends Just Don't Understand" shirts being in stock very soon, and now they are, because we received them this week, and so any of you guys who pre-ordered that lovely shirt will be getting it starting very soon.

And also for any of you guys who support SciShow at subbable.com, those of you who chose the signed SciShow crew poster as your perk should be getting those very very soon because they started going out last week when we got them in.

And we actually only have one piece of new merch news this week. And that is this amazing poster from Wheezy Waiter called "Wheezy Waiter vs The World". So if you want to get your hands on that go to dftba.com, pre-order it and it should be shipping out at the end of this month.

And the biggest news of the week, Stefan's here.

Stefan: Hi!

Matthew: Stefan, what are you doing here?

Stefan: I'm here to help rebuild Fort Awesome!

Matthew: Awesome.

(Quark song starts to play as Fort Awesome is rebuilt)

(1:36) Stefan: Hey Matt. What's this box?

Matthew: I don't know.

Stefan: Does The Warehouse even have a basement?

Matthew: Not that I know of.

Stefan: Well let's check it out.

(Open box)

Matthew: What do you think's down there?

Stefan: I have no idea.

Matthew: Well there's only one way to find out.

(Matthew jumps into box)

Stefan: Matt! Are you Ok?

Matthew: Yeah, I'm alright.

Stefan: Well, what's down there?

Matthew: I don't know. It's dark and I lost my glasses, so … I also don't know how I'm going to get out of here, so....

Stefan: I'll go try to find a rope.

Matthew: Yeah. Good idea. I'm gonna find my glasses.

(Crawls around to find glasses. Finds them and puts glasses on)

Matthew: Glasses. Oh, light switch.

(Looks round)

Matthew: Agghh!
