(Intro)

Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

You guys said you would like a LeakyCon merch video so I'm gonna go ahead and do that next week for you guys, the weekend before LeakyCon. But this week we have some other things to talk about so it's time for New Merch News.

First up is a brand new poster from A Capella Science. It is this Bohemian Gravity Poster and you can go pre-order that right now on dftba.com.

The next piece of new merch this week is the third edition of *The Fault in Our Stars* audiobook narrated by John Green and it comes with a bunch of really cool stuff. There is this orange Hectic Glow bracelet, there are postcards, there's a concert ticket, there's buttons, there's stickers, and of course there's the actual audiobook discs. So you can pre-order this right now on dftba.com. There are only gonna be 3000 copies available and the first and second editions sold completely out so I would pick this up as soon as you can and of course the link will be down in the flap to do so.

And while that does it for all of the new merch this week I do have a big merch announcement for you guys. Starting today select Charles Trippy merchandise is going to be 50% off. This ranges from t-shirts to tank tops to phone cases to bracelets - there's a ton of stuff. So definitely go check out the CTFxC page on dftba.com and you can see all the merch that is half off.

And now it's time for a little thing we like to call NerdfArt. This week's NerdfArt comes to us from aceshouseofcards.tumblr.com and it is this Doctor Who Nerdfighteria mashup. It's got the Doctor and he's saying "The Universe is Weird" and he's got a No Edge shirt and apparently the Doctor's a Nerdfighter, who knew?

But that does it for this week guys. Don't forget to leave any questions or comments you might have down in the comments section below. As always, the links to every single thing I talked about this week will down in the flap. And you can always find me doing things over on my channel at youtube.com/matthewgaydos or hit me up for a chat on Twitter, @MatthewGaydos. So I will see you next week with a brand new episode of The Warehouse and until then, don't forget to be awesome.
