(Intro)

Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

They say that no news is good news. I disagree. First up, we have these Pizza John socks that have not been seen since Pizzamas. But now you can go to dftba.com and order some Pizza John socks and I really don't know why I am putting these on my hands but I guess you can do that too if you want. Pretty sure I'm gonna leave these on for the rest of the video.

Next up, we have this DFTBA university shirt. It's really hard to do this with no access to my fingers. But we have this brand new charcoal grey DFTBA university style that you can pick up right now on dftba.com.

Recently we also reprinted a lot of our shirts on a new softer, better fitting material and one of those that just got reprinted and is now back in stock is the Hank Green No Edge shirt. So you can once again pick one of these up at dftba.com. And we have now also reprinted I'm the Mother Effing Fox shirts in a brand new grey and aqua color scheme. So you can go pick that up on the website as well.

And the last thing I wanted to let you guys know about this week is that when we are going through and reprinting these shirts on newer, softer material we do have some of the old styles left over. And when we have shirts that are no longer on sale because they're either a different style or they're just a design we don't sell anymore, they go into a category called mystery shirts. Now if you didn't know about our mystery shirt category you can go on the website and order an $8 mystery shirt and you don't know what you're gonna get but you're definitely going to get a very cool shirt from a DFTBA artist. It could be a shirt that you haven't been able to buy in years or it could be a Pizza John, who knows? So now you know. It is only $8 for a mystery shirt and it's a fun little thing that you can, like, add in to an order that you're already gonna place.

But that does it for this week guys. Don't forget to leave any questions or comments down in the comments section below. As always, the links to every single thing I talked about today will down in the flap and you can always find me on my channel at youtube.com/matthewgaydos or on Twitter, @Matthew Gaydos. So I will see you next week with a brand new episode of The Warehouse and until then, don't forget to be awesome.
