Matthew Gaydos: Hey there, I'm Matthew Gaydos, and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

First up this week, I wanted to remind you guys that we are right in the middle of 12 days of Pizzamas, which, if you are unaware, is a sale that is going on right now through November 15th, where we have 12 brand new Pizza John items that are only available during this sale. That includes things like a fleece blanket, temporary tattoos, pencils, and even a novelty flying disc. So if you want any of those items, hurry up and head over to DFTBA.com/12Days, and pick one up, 'cause after this sale's over, you can't get any of those anymore. They're gone.

And that brings us to everyone's favorite kind of merch news, and that's new merch news. This week, we have a couple new products coming to you from Ms. Karen Kavett. First up, we have this Alphabet of Ampersands poster, which celebrates the ampersand by displaying it in 26 different fonts, each starting with a different letter of the alphabet. Unfortunately, C is not for Comic Sans, sorry, Gunnarolla. But it is a beautiful poster, and underneath each ampersand is a little information about each font and who designed it and the year it was made and fun stuff like that. Also from Karen Kavett this week, we have this five bookmark set. Each of these bookmarks is designed by Karen, and one of them will be signed by her when you get it. So you can pre-order both of these items right now, and they will be shipping out around the end of this month.

And while that does it for new merch news this week, I just have so many updates for you guys on the things you pre-ordered. Meghan Tonjes' #dailybabymargot shirt, Gunnarolla's circle food shirt, the Emma Approved t-shirt, a Charles Trippy iPhone case, or any of the dozens of Charles Trippy t-shirts and tank tops, all of those things came in this week, so we're shipping them out as soon as possible, and you will get them in your mailboxes very, very soon.

And lastly this week, we see the return of a little segment where I like to feature your Nerdfighter fanart, which I originally called Nerdfighter Fan Art Corner, but you guys so lovingly and overwhelmingly in the comments decided to call it "NerdfArt Corner". So here we go, NerdfArt corner. This week's piece of Nerdfighter fanart comes to us from Tumblr user animal-arts, and as you can see, it is a cute little puppy-sized elephant drawing that's even got a bunch of other little Nerdfighter references back in the background there. So thanks for that, animal-arts on Tumblr.

But that does it for this week guys, don't forget to leave any questions, comments, and if you would like a puppy sized animal, which animal would you like puppy sized for your convenience? Let me know all of that down in the comments below, and as usual, the links to everything I talked about today will be down in the flap. And remember you can always find me on my channel at YouTube.com/MatthewGaydos or on twitter @MatthewGaydos. So I will see you guys next week for another episode of The Warehouse, and as always, don't forget to be awesome.
