[The Warehouse Intro]

Hey guys, I'm Matthew Gaydos and welcome to The Warehouse - the weekly show where we share the DFTBA warehouse with you.

First of all this week, I wanted to thank all of you guys for your lovely comments on last week's video. It was a lot of fun to make and I'm really glad you guys enjoyed it. Maybe in the future, we can do more genre based Warehouse videos. Maybe like a spooky haunted warehouse thing, where the warehouse is haunted by the ghost of Pizza John past. I mean that's not a very good idea. You guys would probably have much better ideas so leave them down in the comments and maybe we'll make some of them.

Right, let's get to it. New Merch News. This week I actually only have one new item to announce for you guys and that is the giant Good Mythical Morning poster signed by Rhett and Link. You can go and get this right now at DFTBA.com.

And on top of that, of course I have some updates on some older pre-orders for you guys. For those of you who ordered the 'Why is the Sky Dark at Night' Minute Physics poster, it is here and it is already shipping out to you so those of you who pre-ordered it should get this very very soon.

And the second pre-order update I have for you guys this week is the Mike Falzone t-shirt that I talked about a few weeks ago. So if you pre-ordered the Falzone shirt, expect it in your mailbox very soon. As you can see, I wore mine when I went sky-diving this weekend for my birthday, which you know if you'd like to see a video of me plummeting through the sky towards the Earth, go ahead and click that picture and it'll take you over to my channel where you can watch a video of that shameless plugging. I also did the Nerdfighter sign as I was falling off the plane and its kind of hard to see in the video because I was wearing gloves and it was a weird angle but I did it.

Well that's it for this week guys. Don't forget to leave your questions, comments and genre suggestions down in the comments below. As always, all of the links to everything I talked about today will be down in the flap and remember you guys can always find me on my channel at YouTube.com/MatthewGaydos or over on the Twitter @MatthewGaydos. And as always, don't forget to be awesome.
