[The Warehouse Intro]

Matthew: Hey there, I'm Matthew Gaydos and welcome to The Warehouse - the weekly show where we share the DFTBA warehouse with you.

Last week I reported to you guys how busy we were shipping out over 1700 sets of Story War but some how this week we went ahead and topped it and sent out over 2000 sets of Story War in one day.

And on top of that we've been working on fulfilling some of your Kickstarter perks. For those of you who helped out the Lizzie Bennet Diaries Kickstarter - those of you who pledged to get the Pride and Prejudice Lizzie Bennet Edition should be getting there's very soon. We are also working on some Subbable perks, so those of you who got the Signed CrashCourse Posters or the signed What Would Sagan Do posters, expect yours very soon.

And now the time has come for New Merch News. Just a new fun side note about the merch I show you guys here in the videos. Whenever I show you merch here on The Warehouse, and it pops up on the screen - just like the DFTBA Volume 3 Compilation just did. Which I am showing you only as an example and not because I'm on it. Well when a new item like this pops up on the screen, you will now be able to click those items and it will take you directly to the product page for that item. It makes it way easier so if you see a product in the video and you want that product, just click it and it will take you to the product page and make it a lot easier to order.

Alright so yay, new fun things! The first new product this week is this brand new 'Why Is It Dark at Night?' poster from Minute Physics.

Also this week, we just got the brand new SciShow DVD. This is The Apocalypse Collection and contains 8 episodes like 'Asteroids to Watch Out For', 'Bath Salts', 'The End of Everything' and '3 Minutes about Mayans'. There's also special features on it like an outtake reel and 25 minutes of interviews with SciShow staff. And as a bonus its a region 0 DVD so it will work wherever you are in the world.

Next us is the brand new Nerdfighteria expansion pack for the game Evil Baby Orphanage. If you already own Evil Baby Orphanage and you want some expansion cards to make it a little bit more nerdfighteria-ific, go ahead and pick this up. You get John and Hank time nannies, you get 5 toy cards, 20 action cards and with this set you get 6 unique evil babies.

Our last chunk of new merch this week comes to you from Michael Aranda. Hello Michael.

Michael: Hello.

Matthew: So what kind of merch do we have Michael?

Michael: Well, we have these brand new EEinstein Michael Aranda T-Shirts available in unisex and ladies cuts. And signed Michael Aranda posters available in Yellow on Black with Silver Sharpie and black on black with black sharpie for those who demand the utmost in subtletey.

Matthew: Thank you Michael.

Michael: You're welcome.

Matthew: And lastly this week, I wanted to update you guys on a couple of pre-orders. If you pre-ordered the Pizza Ron shirt or the Hayley G Hoover 'Be Ferocious' shirt, those shirts are already on their way to you.

But that does it for this week guys. Remember to leave any of your questions, comments, product suggestions, concerns, anything you really want to talk about down in the comments below. The links to everything I talked about today will be down in the flap as well and remember you can always find me on my channel YouTube.com/MatthewGaydos or over on Twitter @MatthewGaydos. So I will see you guys next Monday for another episode of The Warehouse and as always, don't forget to be awesome.
