(The Warehouse Intro)

Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

This week has been nuts. We've been working incredibly hard to make sure your Pizzamas and your Black Friday and your Christmas orders all get to you as soon as possible. We're actually here right now working through the weekend to make sure you get your stuff. So we're going to keep today's video pretty short, cos I have to go start packing up your guys' orders as soon as I finish this video.

So here we go. A little, quick new merch news. First up we have a few new items from Rhett and Link. Available right now for pre-order on the website is this "Good Mythical Morning" mug which will be shipping out in mid-January. Also from Rhett and Link, and available right now, is this here Mythical wristband and this set of Rhett and Link stickers. Next up is a brand new poster up for pre-order right now on dftba.com and that comes to us from the people over at Emma Approved and that pre-order is going to start shipping out in just a couple weeks.

But that does it for this week guys. We don't have time for any NerdfArt or any Fort Awesome updates, so just leave your questions and comments down below. As always, the links to everything I talked about today will be down in the flap. And you can find me on my channel at YouTube.com/MatthewGaydos or on twitter @MatthewGaydos. So I will see you next week with another episode of The Warehouse and as always, don't forget to be awesome.
