(Intro)

Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA warehouse with you.

First up this week, it's time for some NerdfArt. This week's NerdfArt comes to us from monehish.tumblr.com and it is this pair of fantastic *Fault In Our Stars* painted shoes. And there's lots of cool quotes and Venn diagrams and everything like that so I'll put the link down in the flap so you guys can go click it and check out all the bigger pictures of that.

And now it's time for new merch news. First up, you CTFxC fans I'm sure already know about these, but look. We have Zoey and Marley plush toys and they are just... They come as a set and they're adorable. So if you wanna get yourself a pair of these, go over to dftba.com and you can pick them up.

Next up in new merch news, if you are a fan of *Job Hunters*, get excited because we have a bunch of stuff for ya. You can now pre-order your very own MAEWIN jumpsuit t-shirt. We also have this 'Choose your weapon wisely.' poster and the '1 in 5 stay alive' poster and last, but not least, the 'Violence within the safe house will NOT be tolerated.' poster. So you can go ahead and pre-order all of this *Job Hunters* merch right now on dftba.com. Of course, the link will be down in the flap.

And while that does it for new merch this week, I wanted to let you guys know about a few things that are now back in stock after having not been in stock for a while. The Brave TARDIS t-shirt is now back in stock on our new softer material. And the Brain Scoop Everything is Dead t-shirt is now also back in stock on the softer material as well as the We're the exception Mongols t-shirt from Crash Course. So those three shirts as well as a few other ones are now back in stock on the website, go check it out and see what's what.

And the very last thing I have to talk about this week is VidCon. VidCon is coming up, it's right around the corner. Two weeks from today VidCon will be over, you guys will have all of your fun pictures and stories and videos to share with your friends. But before that happens, we had to send out a lot of stuff. We had to send out 14 pallets of stuff to VidCon, we completely filled up an eighteen wheeler. And there is VidCon shirts and VidCon posters and VidCon lanyards and all the merch we're sending. So it is now on its way to VidCon where you guys will be headed very soon. And next week, because you guys requested it, I will make a full VidCon merch rundown video where I talk about all of the things we are sending to VidCon that you can go buy at the counter in the physical real life space, not on the internet.

But that does it for this week guys. Don't forget to leave your questions and comments down in the comments section below and as always, the links to every single thing I talked about today will down in the flap. And you can always find me on my channel at youtube.com/matthewgaydos or on Twitter, @MatthewGaydos. So I will see you next week with a brand new episode of The Warehouse and until then, don't forget to be awesome.
