opening theme

Hey there, I am Matthew Gaydos and welcome to The Warehouse, the weekly show where we share the DFTBA Warehouse with you.

This week we are gonna go ahead and start off with NerdfArt. This weeks NerdfArt comes to us from riddhis-art-desk on Tumblr, and this is nerd art in gif form, with a portion of Hank being drawn over some length of time, I'm sure. And it is just superb, so go to the link down in the flap if you wanna check that out.

Alright so now it is time for.....New Merch News. First up in New Merch News this week is hoodies, a bunch of different hoodies from Charles Trippy and you can see them here on the screen, or if you go to the link down in the flap, of course. There are a few different colors and designs, including the silhouette face and the pizza one-up. And speaking of the pizza one-up design, those of you that pre-ordered the t-shirts and tank tops in that design get excited, because they're coming to ya right now. We recieved them in the warehouse today and they'll be going out today and tomorrow so you'll have them very soon.

And next up in New Merch News is the brand new SciShow logo t-shirt that you can go pre-order right now on dftba.com. Che-che-che-che-che-che-check it out.

But that does it for this week guys, don't forget to leave your questions and your comments and your Halloween costume ideas -- that's coming up and we might have a little bit of a contest around here...more on that later. But leave all of that in the comments down below and as always links to everything I talked about this week will be down in the flap, and you can always find me on my channel at YouTube.com/MatthewGaydos, or on the twitters @MatthewGaydos. So I will see you guys next week with a brand new episode of The Warehouse, and until then, don't forget to be awesome.
