Hank: Hello, and thank you for tuning in to this episode of Hank and...what I cannot...Filch is right there, oh my god!

Katherine: Zap him!

H: I don't think that that's how that works. I have this.

K: I don't understand. Why did he not see us?

H: I don't...he's a stupid, stupid head. Ah...no no!

K: I'm just blindly waving my wand around over here. Woohoo! Woo!

H: Um, last time on Hank and Katherine Play LEGO Harry Potter Years 1-4.

K: We were doing some things...

H: We did things.

K: Oh it got me, got me, got me, got me, got me, got me!

H: What happened then?

K: I don't knoooow! I don't knooow!

H: Is he gonna kill you?

K: Maybe distract him? I don't...I can't do anything. I am pushing buttons furiously.

H: Oh wow. He is impervious to my spell.

K: Pushy button-y noises? Pushy button-y...Damn you Filch!

H: (Sings) I don't know what to do!

K: (Groans)

H: (Singing) I'm confused. So confused. I....oh okay.

K: Haha! And I'm invisible. I'm invisible. Can I get up this thing when I'm invisible?

H: I'm climbing up...up a ladder.

K: I can't see myself when I'm invisible.

H: I know, I...you have to shoot.

K: (Sighs)

H: Okay. What are...?

K: What was the noise? I'm stuck behind a pile of books.

H: There is stuff around. There's this thing. And I don't know what to do with it. Ahhh!

K: (Laughs)

H: There's...there's...this is like, what is this thing? Keyhole?

K: Clearly we need to do more things. Yes. Oh god oh god look out! Oh, run away, oh run away!

H: Oh jeez.

K: Oh boy, he is dumb.

H: Yeah, he is blind.

K: Okay, okay. Yes. Yes. This thing over here.

H: I maybe did something?

K: This thing...yes. Put it on the blue part.

H: Ohhhhh

K: And then open the gate.

H: Oh that was surprisingly easy.

K: Run in there and get that thing. Yes. Yes.

H: What is it?

K: I don't know what...who cares?

H: It's a green...thing.

K: Why did I go up there?

H: It's a key. It's a key!

K: Oh it's a key. It's a key. Obviously it's a key. Woo boy.

H: Why didn't I use it? Use it Ron...Ronald Weasley!

K: Stand at the thing. Oh god, oh god, oh god, oh god, oh god! He got me again! Ughhhh!

H: I don't know what you do.

K: I think you maybe just need to stand there and push the button? I don't know.

H: Oh I'm sorry Mrs. Norris! Even though you're not a nice cat.

K: Shoot the crap out of her! I think maybe that's the way you make Filch go away.

H: Ohhhhhhh. Maybe, yeah. Gotta put...put....why can't I just pick up the key?? Why do I have to levitate it?

K: I don't know. That's weird. Hm.

H: That is...

K: Maybe it's because it goes in this part, here. Where the green part...That part right there?

H: Ohhh, it doesn't go in that thing, it goes in this thing. Oh, man. People who've played this game are gonna think that we're stupid.

K: Well, you know...we are a little bit. But not because we're not intelligent. Only because...

H: (Laughs) We aren't stupid from a lack of intelligence.

K: Only because we're not...I am so slow under this cloak! I can't even crawl up the stairs! Oy oy oy. Useless.

H: Oh yeah, this is great. I love it when the frickin...

K: Why is the floor in the way?? Gaaaaa! Okay let's stay together.
