Rachel: Hey guys, it's Thursday April twenty-eighth, and another day of VEBDA.

R: Hey Caenaan.

C: Yes Rachel?

R: It's international astronomy day, and I just want to let you know that you're a star.

C: Thank you.

R: Hey Caenaan.

C: Yes Rachel?

R: It's international astronomy day and I just want to let you know that you're out of this world.

C: So are you!

R: Hey Caenaan.

C: Yes Rachel?

R: It's international astronomy day and I just want to let you know that you're a big ball of gas.

So when you're out gazing the stars, you definitely want to make sure that you're properly prepared t-shirt wise, so you want to make sure you check out the Surf Mars shirt. Or one of these Okay to be Smart shirts. Or the Space-Time Black Hole shirt. Or if you live in a place where you can't see the stars, you can get this Sarah Noble poster and put on your wall.

That's it for today, hope to see you tomorrow and don't forget to be awesome.
