=====Intro =====

Hank: Welcome to Games with Hank. I'm Hank, this is games with me. It's also focaccia with Katherine. It's Wii Wednesday, the day when we and my wife, Katherine, play a Wii game. So far, we've only played Super Mario 3D World, because there's a lot of Super Mario 3D World to play, and hopefully you enjoy it.

We just conquered an underwater-y level, and now there's this pipe that we might go into.

Katherine: I don't know if I'd say we conquered it.

Hank: Well, we--

Katherine: We completed it.

Hank: We completed it and got no stars, so that's somethin' else.

Katherine: We did not really 'complete' it.

Hank: Yeah, it was--it was a little embarrassing. Oh, John's calling me.

Now we're going--just finished talkin' to my brother--

=====World 3-6 Mount Must Dash (0:46) =====

Katherine: Did you see, it's Mount Must Dash?

Hank: Mount Must Dash!

Katherine: Must Dash.

Hank: Dang! That's hilarious!

Katherine: I gots a mustache.

Hank: I made a mistake. You gotta bounce hard, Katherine, or you'll be left behind.

Katherine: I will.

Hank: I lost my crown. I can't believe you're still alive.

Katherine: Well. Somebody bubbled.

Hank: Well, I mean, that was fun. For me. Come on, you gotta go. I'm going down a thing! You got--it's called Mount Must Dash! You gotta dash!

Katherine: I hate you right now. Just FYI.

Hank: Daaaaash!

Katherine: I hope you die.

Hank: Well, I'm not going to, 'cause I'm too talented.

Katherine: (?) (1:43)

Hank: It wouldn't be the first time. Ohhh, I missed the star.

Katherine: (?) (1:53)

Hank: We're so fast, Katherine, look how fast we are!

Katherine: Too soon. I jumped too soon.

Hank: You jumped too soon. I mean, we should play that level again just Cuz it was fun.

Katherine: Yeah, it was super fun. I had a great time.

Hank: What happened? What's wrong?

Katherine: So fun.

Hank: A BUNNY! Must Dash. I really liked that.

Katherine: Super fun. That's what happens when you spend the whole level in a bubble.

Hank: I don't understand what that has anything to do with cold.

Katherine: It doesn't. There's just--it's lip service here.

Hank: We didn't get any of the stars. Let's go try to get some stars.

Katherine: Rrr.

Hank: Rrr.

Katherine: Well then.

Katherine: Let's see who leaves who behind this time. Shoot on a cracker. Oh my God, where am I going? Wow, that was weird, it's like I couldn't stop. Okay, well, thanks for not waiting for me, again.

Hank: It's hard to stop!

Katherine: Yeah, but you could have waited for me. See what I'm saying?

Hank: Thank you for sacrificing yourself for the star. It's very fast. Fast moving. We're gonna lose our facecam, we're running out of--ohhh, hey hey hey, oh, where you goin'? We're trying to get the stars.

Katherine: Hmm, I don't know what you're talking about. Where are they?

Hank: I don't know. We've gotta look around.

Katherine: Oh my God, I couldn't stop.

Hank: I know!

Katherine: I couldn't stop running.

Hank: Oh God!

Katherine: Oh my God, I jumped into the-- you missed a question mark back there.

Hank: I believe it. I also jumped off the edge and died.

Katherine: Me too. So.

Hank: Where you goin' so fast? Why are you so fast?

Katherine: There it is. Right there. There it is again.

Hank: What? Oh that one. Yeah. Oh. Yeah. Good job, I didn't see it.

Katherine: No, I know.

Hank: Oh, it's a bunny!

Katherine: Get off my head.

Hank: You--I do not do that to you. Yeah. Why can't we get it? It's too fast. Oh my God! We--

(gasps & mutual yelling/frustration)

Hank: WHAT! We were going too fast to get the star! Frickin...

Katherine: You can't get back there!

Hank: I know we can't get back there. It's terrible. I killed myself 'cause I hate--hate the world too much.

Katherine: Okay. Well then. This is a lot of not being very good at things.

Hank: Awww. Bouncy (?) (5:01) Alright. Come over here. Come here. Oh, he stopped, ahhh. I can't turn around.

Katherine: I know, that's the thing.

Hank: What the frick! Graaahhh, I don't like the bunny.

Katherine: Nope. (?) (5:20) I give up. I don't even. I don't wanna try that again.

Hank: What am I gonna--how do I try again?

Katherine: Well, you can't do it now.

Hank: Well, I didn't know how to do it anyway.

Katherine: Pheeewwww.

Hank: We got one star.

Katherine: Why'd you go in that, why didn't you go in the--

Hank: There was a thing?

Katherine: to get the star?

Hank: There was no way up there. You have to jump up there.

Katherine: Well, how do you do it?

Hank: Wow, I almost overshot it.

Katherine: It's a ral fun to not--

Hank: I was just tryna get the level over with because we couldn't get any more stars. Could kill myself.

Katherine: (laughs) Could. It was an option.

Hank: I decided against that.

Katherine: Yeah, u-huh, a whole zero points is what I got.

Both: Kitty.

Katherine: Kitty. Meaow.

Hank: That wasn't worth it.

Katherine: We gotta get the uh... we gotta get that batteries pack for this thing.

Hank: Yeah I know.

Katherine: I hate... uhm

Hank: I don't-- I'm sorry. You're tiny.

Katherine: I'm tiny again.

Hank: One, two, three jump.

Katherine: (laughs)

Hank: I was gonna correct.

Katherine: (laughing) Oh, ok.

Katherine: (singing) meow, meow, me- me- me meow.

Hank: (mimics Katherine) meow, meow, me- me- me meow.

Katherine: I'd rather be a kitty. Like, make me a kitty. Lives are useless.

Hank: Lives are useless.

Katherine: make us--

Hank: Make me a kitty.

Hank: I'm always stuck. You have to go over to this thing. (the

music goes muffled underwater, they laugh) Good sound design.

Katherine: Cute.

Hank: Where are we going? Over there? OK, if you say so lady. Careful, there's a giant electrocuting... thing, there.
