Hello, and welcome to "Hank and Katherine Play Harry Potter Years 1 through 4" We are in the Shrieking Shack, and there's a rat. Hello rat. Ratty-bat.

Katherine (K): Shoot it

Hank (H): We nood a special do we nood a nood-da-dood?

K: Shoot, shoot

H: Ooh I've got an explodey charm

K: Shoot it a lot

H: Yes, that made it explode, gud-I-ju-ju-I just walked over it and that's not good enough, though. Sorry, right in your face, I think he's in the..yes the piano. So we just have to explode everything in the room? That is generally what we do. Katherine is here.

K: I am, I am. I'm just trying to figure out which spell to use

H: Oh. I don't know that it matters. I've been using this like..super...one.

K: I think the regular shooty one. Works too

H: Also works. Okay. Ooh. I think we are building a giant mousetrap.

K: Oh we are building a giant rat trap.

H: Rat trap.

K: Hi, kitty, you never come in here when we're in here.

H: Yeah, what are you doing kitty? Oh everybody is unconscious. Ooh there's, ooh a purple! Ooh. Yeah

K:Ooh. Wow! Uhh

H: Is he hiding somewhere?

K: Yes he was in the pot, that bastard.

H: He was in the pot. Do it, do it Katherine! Make that giant cheesy trap!

K: Now let us hide

H: Oh look at that waft, look at it wafting into the hole.

K (whispering): He's going to come out and get it. Right? Yes, yes.

H: Come and get it, little rat. Yeah even the cut scene..yeah that is a giant piece of cheese, man. Ooh no that would be...that would have... that would make death happen.

K: Oh probably. Uh, wizards, I don't think are extra strong or anything, they're just magical.

H: No, though...it'd be good, why don't we just kill him now? He turns out to be pesky later.

K: Yeah, um, that is always the question, isn't it.

H: I say Avada Ke...buttbuh. Uh, yeah, separate angle. He is not a good looking man

K: Dat little nasty ratty man. Oh god, Oh god!

H: Oh no oh no not the full moon, what were you thinking, you dumb-butt!

K: Dumb, I don't like it when Lupin turns into a werewolf.

H: It's okay it's cuter in the LEGO version, see, he's cute! He's a cute werewolf.

K: I am not feeling cute

H: He's cute! He's a dog and he's another..

K: Get out Sirius-dog...

H: Run away! Okay, we are in for the...the best

K: We are in for a...some kind of..yes! While we are here let us shoot some stuff!

H: Sorry, I shot you, a little bit. Grow that plant!

K: Why not?

H Eat that bagel!

K: How do I make my cat?

H: How do I make my cat? Uh, it's like a spell

K: Oh, okay okay okay okay.

H: You have to switch to it. Ron is still unconscious over in the corner. Oh. Oh now I'm makin this. Dig that kitty!

K: Dig, dig. Uh-oh. Dig faster, kitty

H: Uh-oh (sneezes twice) If you sneeze during this video, bless you.

K: Bless Hank. Um, oops. So what did, what did I just do? Something that doesn't do me any good?

H: What did you just do? Ah, I'm not sure what that is, it doesn't look familiar to me, but I did something useful I bet. I did.

K: Ron, Ron is still incapacitated

H: Hello? Yeah, he's injured, he was bitten by a giant dog. Okay, my, my death star is flying. And it pooped.

K: Yes. Built a death star, it pooped some bricks. Oh, now I bet you were supposed to make a fricking...

H: Ha, that is usel...why? Why would I do that?

K: Indeed. What's this Mandrake here for? What the frick!

H: There's a Mandrake, Mandrake, and there's...what are those?

K: I don't..moles?

H: Oh, they're moles, I thought it was a dementor.

K: No see how they're

H: Look kinda like Dementors, man

K: Um, okay there's a pulley thing we...

K: There it is, there it is. Rhino popsicle. What is it?

H: Rhinopsicle. Yeah

K: Rhino..sicle..sicle..Rhinopsicle.

H: Where's the pot? Oh, haha

K: It's right here! I just uncovered it! I still can't get the fricking rhinopsicle though.

H: You need one of these? No

K: I don't know, maybe. I'm confused

H: You do.

K: I'm feeling confused and stupid.

H: What is this? Patronus? Feeling confused and stupid, that's not good. Don't like that feeling

K: Nope, I don't like to be feeling that way.

H: Maybe I need to plant the second one. Okay we've got two rhinopsicles now, there's another one over here, maybe we have to plant all the rhinopsicle plants. Kay.

K: Oh, oh it was that one. Oh

H: Alright did you find a bone? I see like twelve of them.

K: Building a skeleton...

H: Okay so we need his arm

H: Alright, alright, you were standing on the thing right when you needed to be standing on the thing, well done, lady.

K: But I fell off of it now I'm stuck in the middle.

H: That was dumb. I need a kitty!

K: I know, I'm bad at jumping. I should have just sent the kitty up there. I didn't need to go up there. Ah, go kitty go! Go! awwww

K:I did..yeah

H: (singing)

K: We got a bunch of studs

H: We did. Exit level! Yes, we had to replay this one because of a technical difficulty, so that's why we weren't going for true wizard, if you were paying a lot of attention.
