=====Introduction=====

(00:00)

Hank: Hello and welcome to Games with Hank! I'm Hank and this is games with me and today, we're playing an Oculus game called The Voice: Be the Coach, The Voice 360!

Someday, maybe, television will happen inside your Oculus, and you can be the... you can be the judge! On... or the coach, either one, on, on The Voice, which is apparently a show about people singing.

Or talking. Possibly. Something to do with voices. We're gonna -- we're gonna go ahead and play.

=====Gameplay=====

(00:26)

Alright, here we are. I'm in my Voi -- my custom... pleather... Voice coach couch -- couch seat. It's... it's not just a seat -- it's a couch seat. And I've got a button, and, and two cup holders! Looks like just the perfect size for a bottle of beer, so, so can I have a virtual reality beer please? I have to push S to start, so now I have to look -- leave...

HO! YEAH! YEAH! JUST WAIL ON THAT GUITAAAAR! WOOOO! OH MY GOD! YEEEAH! PEACE! IT'S THE VOICE! AND I AM THE MOST IMPORTANT JUDGE oh that was a little much.

Blake Shelton: Hey.

H: Hey?

B: You're gonna help me coach tonight, okay?

H: What?

B: But don't get too comfortable in my chair.

H: Huh? What? Who's talking to me? Who's this -- is this guy talking to me? I missed it. This is like live action, it's not even, uh, not even 3D; there's a dude, and he just looks there, and there's a dude over there -- is that Pharrell? ("Love Runs Out" starts playing) I can't lean. Oh! Something's happening.

Wait I can't look! I can't look! Is that a thing?

What do I do? How do I... I don't know how to push the button! What button do I pick?

B: Push the button! Push the button! He's really good!

H: Hello? Woah, yay! Oh God, I locked it! I locked it! It's locked! Urgh, that's the worst!

Yeah, sing it boy! I can't... I locked it!

Alright, alright, I kinda fixed it! Alright. Yeah! Who else is here with me? I like how Pharrell is so laid back right now.

Yeah! Okay. Apparently, this guy's having a good time. Yeah! Yeah, that's good! Yeah! Oh yeah baby. Yeah woo! Woo! Yeah! Yeah you ROCKED IT! YOU ROCKED let me get up there! I can show you guys a thing or two! I don't know. I think -- I think I can do better than that. Are we gonna -- are we each gonna give our opinions?

Adam Levine: Hey. That sounds incredible.

H: Is that the dude from Maroon 5?

A: That sounds like Team Adam.

H: Johnny...

A: So I think you should be...

H: Manfield?

A: On my team.

H: Adam? Adam? Team Adam. Adam... Montoya. Adam Levoy. Adam... Malignant. Adam...

Gwen Stefani: Wow, I -- I'm, that is just mind blowing.

H: Is that Gwen Stefani?

G: I really think, um...

H: Woah!

G: I really think it's obvious that you should be on Team Gwen.

H: Woah! What the frick just happened to my chair? There was, there was a jump scare in this game! It's a surprise... You got some Starbucks there, Pharrell?

Pharrell Williams: That, uh... That performance was action-packed. I mean... and it just shows that you're different.

H: Yeah!

P: You belong on my team.

H: And I gotta, and I gotta do my thing now? Look buddy, YOU and ME --

B: Hey, man.

H: Wait -- no --

B: Don't fall for their crap.

H: HEY! THIS IS MY TURN! THIS IS ME!

B: I am a three-time champion of the Voice.

H: WHAT THE FRICK? YOU DON'T EVEN, YOU DON'T EVEN HAVE A CHAIR, MAN!

B: You can make it four. Come join Team Blake. Come on!

H: What about Team Hank?

B: Come on!

H: Come on Jeff! Jeff... You know you wanna be Team Hank! You know you wanna be Team Hank! This guy doesn't even have a chair!

Jeff: I'm gonna have to go with Blake!

H: Come on...

B: Yes!

H: Come on you don't even have a chair!

B: We did it! We did it!

H: WE??? SCREW YOU MAN!

B: Now get the hell out of my chair!

H: That's just completely unfair! I'm not on Blake's team! I'm on Hank's team! Jeff should have come with me. Jeff's gonna regret that decision his entire life, that he went with team... and I didn't even get to say my piece? Come on!

Give me something!

That guy's just like, "*Hey, get outta my chair!*" I'm like, "Whose chair is it really?" Possession is nine-tenths of the law.

BLAKE!

=====Outro=====

(4:38)

Thank for watching this episode of Games with Hank. The game has been The Voice... something... uh... and they didn't pay for this. I... feel... they should've.

And I... have been Hank. If you wanna click the like button, that would be great. DFTBA.
