=====Pre-game=====
Hello and welcome to Games with Hank. I'm Hank, this is Games with Me, Hank! And today we're going to be playing Proton Pulse. It looks like a very pretty, cool game. Not pretty cool, but it's both pretty and cool. Enjoy it with me. Now! (Beep)

=====Game=====

Look at the button and tap the side of your Oculus or click your mouse button to press it. D-d- this sperm thing that is my cursor? My cursor is a sperm! Sperm sperm sperm sperm sperm sperm sperm! This game is great, I love it! It's got a sperm! (0:33) Wheee!

Alright. That's freaking sweet. I like it. That is a good interface. Zero Transcom... possibly is what that said, I'm not sure. Justin mor--- that's pretty. So pretty! This is amazing. Heck yes! Shut up and take my money! Oh yeah! No problem! 3D VR bomb -- I got it! That ball better speed up, because this is too easy! I feel like I should be doing something with my hands, but I shouldn't! (1:07)
Can I, like, change directions by nodding? Oh! I nodded too much. OK, get ready, I lost.

Go! OK. Level one two, it says. Oh, oh, I see, I had to break those things. I'm ready! Ooh! They are moving! Dude! This is so cool! It's not pong at all, it's that other game that I forgot what it's called. What's it called? That one. You know... what I'm talking about. Wow. Oh, I have -- I have laser beams! I have leaser beams on my paddle! (1:46)

This is cool! No, not quit. I want to keep playing *forever*. Get ready and go. Oh, sorry, oh no -- what the frick? Yeah. Get in there. What do I got? I got a mega -- what do you say? I don't understand. Mega ball? Oh yeah, it doesn't stop, it just blows through everything. Yeah, Mega-ball! Mega it! Yeah! Take em out.
Uh oh. What happened?

It is so weird to not be -- to not be touching anything. My hands are just... I feel like I'm controlling it with my mind. It's singing me a song. Can't dance too much, either, because then you -- you lose your paddle. Get down there, yeah, alright, last one's going to be hard. Last few. (2:51)

Get down there! Take 'em out! Yeah! Oh, I have to pick up those things, too? What am I doing? Get over there, come on! Yeah! Yeah, wooohooohoooh!

Oh, come on. Totally had it. No! Come on! Ohp! Yeah, you can adjust where the ball goes by hitting it with a certain part of your paddle. Yeah! This is so coool!

Uh oh. Did I beat the game? No. this is the last level until I get to the boss. Hello, giant statue. You have no chance to survive. Make your time. Hahaha. Oh yeah! I have no chance of surviving, it's the Easter island statue. What do you think, Easter Island man? Whoaah! Whoa! What's that thing? (3:57)

I hit you! With a big rock of your own making! Big rocks, big -- oh gosh, which one did I choose? I couldn't get both. Whoa! That -- made my paddle stop working. That's a new mechanic.

go get him! Yeah. Bang! Right in your big head, you bighead! Gonna avoid those things. Pink! (singing) I'm gonna hit you in the back -- hit you in the front seat, hit you with the back seat... I don't know how many hits does it take? I lost again. (stops singing)

OK. In the face! Yeah, how's that in your face? Oh, the big one. In the faaace... in the face, I missed it. Wooah... oh, come on! I only have one ball left! Oh noo, you stunned me again. Oh, I missed. Right in the face. Whoa, that was close. That was super close. I'm so nervous, aahhh, no, no, no! OOh, I made that happen. Okay, oh, I got him! I got him, yay, I don't know what happened or why.

Doo doo doo, doo doo doo doo, doo doo doo doo, there's next, there's still more? Is there still more? Wait, what, see you again...when?
