===== Intro =====

HANK Hello and welcome to games with Hank, I am Hank and this is games with me. Today we are not in the normal studio because we're instituting a new thing, that thing is ah Wii Wednesdays.

What we gotta do is set some ground rules here on GamesWithHank or I'm never going to get anything done. So every Wednesday will be a Wii game. We might also think of this as Wife Wednesdays.

Eh, oh, what's this. Alright its happening, lets start the game. I need to point it more at you. I need it to be closer to you.

KATHERINE Yeah I know.

HANK You're leaning all the way back here.

KATHERINE Well I can't... my feet don't reach the ground which means I have to sit further back on the seat.

HANK That's not ideal because your voice is so quiet, you little girl.

KATHERINE ehhohoh quiet.

HANK Alright everybody, here we go, Super Mario 3D World Wii U style. (imitating the music) Di di doot doot. Heyy, yeah, there it is, alright everybody.

Look at how happy they are! They're.. It's a fireworks show and they're gonna jump in the glass pipe.

Ooh don't hit it. Oh you fixed it. Okay. I thought you were going to break it.

KATHERINE They are plumbers, after all.

HANK They do-- They know what they're doing.

Hey all the toys! So many toys! (1:51)

Uh, something terrible happened with jars of fairies and this bad turtle dragon. The turtle dragon has stolen - Oh he's back! He's right here! Turtle dragon is among us.

No don't. You stole - Oh no. Just like Link always does.

KATHERINE Yeah, I was gonna say. I know somebody else who likes to put fairies in bottles. And he's not treated as a--

HANK villain. Oh no! Why didn't you do it? Aw, now we've lost the princess as well.

KATHERINE What? No, she went into the pipe to see what was there.

HANK Oh, she went in to help. Ok. I thought maybe she was going to... Well usually you have to save the princess.

KATHERINE Well that's not the story here.

HANK That's not the story here. Everybody's got to save the fairies. Ok good. Im glad that princess Peach -

KATHERINE She's... she's not a damsel anymore.

HANK Not a damsel anymore.

Aw this is pretty.

KATHERINE Oh help

=====World 1-1 gameplay start (2:50) =====

HANK Oh no, I gotta save the little fairy in the bottle. Oh I went in the thing. Alright.

I can run, and I can jump. Can I jump on you? Why are you squatting?

KATHERINE Oh shoot look at me do a roll

KATHERINE I had to come with you, I turned into--

HANK Yeah, yeah, yeah, that's pretty, I like it. Ooh, a flag. 2000! I got the 2000, Katherine.

KATHERINE It seems like maybe you should have let me--

HANK Why?

KATHERINE Maybe I would have gotten a power up or something?

HANK I don't think you do, I think you get big, but you certainly don't get a kitty. What was that--

KATHERINE I am a kitty.

HANK Get the bunny! You've gotta get the bunny! Give me--whoa--ooh--uh-oh, uh-oh--uh, where did I go? Uh, I'm in a bubble. Everybody bubble. What is that? I hit the bunny. I hit the bunny, and he made giant mushrooms.

HANK Ohhh, you bubbled and then died, everybody di--it wasn't my fault! Was it my fault?

KATHERINE Yes, you jumped off the edge.

HANK Well, that part was my fault.

KATHERINE I didn't turn into a bubble intentionally, I turned into a bubble cuz you went ahead of me and left me behind.

HANK What are we doing? Oh, I'm going in this well. Oh, we didn't even get this last time.

KATHERINE I know.

HANK How did you get to be a kitty?

KATHERINE I climbed that tree with the kitty bell at the top of it. You want me to go get those enormous mushrooms?

HANK You can, but I can't go with you.

KATHERINE One of them might come down.

HANK *laughs weakly* Aw, come on, kitty, kitty, kitty, kitty! Pffffft. Can you bubble on purpose?

KATHERINE I dunno.

HANK I don't think you can.

KATHERINE I don't think you can either.

HANK Oh, you can! Look, I did it.

KATHERINE Oh, good job.

HANK You have to attack the big bunny, that's how you do it. Ohh. Yeah.
