Matthew: Hey there guys, I am Matthew Gaydos, and welcome to the warehouse, the weekly show where we share the DFTBA warehouse with you. And now it's time for new merch news.

Rachel: Matt?

M: Oh hey guys.

R: What are you guys- what- what are you doing here?

M: I'm making the warehouse.

Caenaan: You don't work here anymore Matt.

R: Yeah.

M: What?

R: Plus, this is how you do it. Hey guys, it's Wednesday, April 27th and another day of VEBDA.

M: So go get it now.

R: Sso it's also national tell a story day, but before that we want to catch up with Matt. What you been up to since we left DFTBA?

M: I am the director and editor of three different Youtube channels: Animal Wonders, Sexplanations and the Financial Diet. So go watch those.

C: Ssince it is national tells story day, Matt can you tell us a story about filming the warehouse?

M: Probably my favorite time filming the warehouse was when we did the Halloween episodes. One, I was here all alone at like ten o'clock at night, dressed as a clown laughing maniacally, hoping no one would show up for some reason, cuz they'd probably think I was just a weird murdered den. And then, the other one we did with Stefan Chin and Michael Aranda where Michael became a zombie, we had special effects makeup, and there was blood, and just for a show about merchandise, it was definitely not a show about merchandise that week.

R: Became so much more.

M: We became so much more.

R: That's it for today guys.

M: If you have any questions, or if you want to tell us a story, do that down in the comments below, and as always the links to every pre-order we talked about will be down in the flap.

R: Hope to see tomorrow and-

Both: Don't forget to be awesome.

M: Before I go, one last thing.

C: Why didn't he just use the big door?

R: I don't know.
