(Intro - I'm so bad at game!)

That doesn't sound like tr-ooooook, oh my house, my house, it got banged, where's my clothes? Where's my clothes? My clothes are extremely important to my, to my success as a badass. What, you aren't wearing your clothes, those clothes are extremely important. I think that it would be a good idea if you stopped right now, put your clothes on because I've seen *Die Hard* and he doesn't put his shoes on in the beginning and he should have because then the glass gets blown out and he has to walk over it and get... aw you should have got your, now you, no clothes.
