(Intro - I'm so bad at game!)

Man: How the hell did you see that?

H: I'm Batman!

I'm running like a mad man!

Shooting Gallery. Open 24 hours. Gun Store two- two  
twenthabladabaha.

Woman: Broadway, between Fifth and Sixth.

H: You're lying! No you're not. You're not lying.

Now we're going to tell a lady that her husband's blood is really,  
really, really, really not in his body.

Oh my goodness. The plot thickens again!

How're you doing? You look very sad and upset.

Man: Knife covered in blood.

H: Yeah I can tell that without zooming in.

I didn't realize that we received a call about... Woah! That was an  
awesome foot-slide, sir.

Were these butt-monkeys?

Chestal cavity. Oh. that was another thing I was saying a lot last  
time. I was, I was saying chestal cavity but I said it wrong so I, it  
was funny. I said chestal cabbity. It seemed like a good name to me  
for a, for a character in a noir book.

Not the thorax! I'm pretty sure that's a technical term for chestal  
cabbity.

Chest! Chestal Cabbity! Mrs Cabbity.

Woman: It wasn't me.

H: It was Chestal's idea.

Oh, oh no. Chestal!

Cabbity. Chester Cabbity.
