Hi, I'm John Green, this is dammit.	Christopher Columbus and I forgot the other one.
Hi, I'm John Green, this is Crash Course World History, nope.	fear of being... robbed! So close!
Hi, my name's John Green, this is Crash Course World History, no.	Since Columbus, the number of ant in...
Hi, my name is John Green, let's do that again.	And both, using stern post rudders, were easier to steer so that technology quickly spread throughout the hemisphere. Sorry, that's why I didn't want to say it, because it rhymes.
Oh, bad kick.	I don't know what else I'm gonna say.
Wait for it... the Mongols! How did that look? I know it sounded bad.	[laughs]
Ahhh, now I gotta do that better.	Stan, can't get your helicopter to fly?
He mapped the coast of... Australia, paving the way for British... I just nailed it! I hit it so well that I didn't know what to do.	Oh god.
The French were also... The French were also fighting the British... And the French were also fighting the... ahhh.	[blows party blower]
We're living... we're... ow!	I tell... I'm telling you, I think I broke it... whoa!
Senegal, right? Yeah, it's Senegal.	Where's the water? I need water.
And the French were also fighting the British... ahhh. And the French are also fighting the... dang it.	Grizzlor! Grizzlor!
Is it... I don't know what India looks like.	Oh, a helicopter! Like Leonardo's... oh, and it works just as well as Leonardo's did.
Plus, leaders kept dying. Huayna Capac... is that right? [from back] Mm-hmm. [John] It sounds wrong.	with... f***nugget.
the oprichniki. Oprichniki? [bleep]	Bold... Aaah. [gibberish]
What's her name? Connaroni? Codarani?	a little more comp... [gibberish]
Jung Ha.	which was especially... ahhh...
I don't know if that's right.	Let me do that again without my voice cracking.
And the French were also fighting the British in... nope. And the French were also fighting the British i... ahhh.	climatic traditions... [laughing] traditions.
administrative tasks like sensing... what are the administrative tasks?	functioning, intelligent... Aaah, I don't even know what I'm saying.
[gibberish]	Uhh... what am I saying?
The monsoon... marketplace! God!	Consistently diminished? What am I saying there?
It's a complicated maneuver... very artful... there we go.	Ahhh... what am I saying?
Well, that didn't go well.	Ah f*** it.
Wow!	F***nugget.
They'd be like... Sorry, I laughed at my own joke.	[bleep]
Which makes sense, since they were Mongols... No, "since they were"... [laughs]	So once the Portuguese...
This... this way?	Did it come in before the plane?
Mister... [laughs]	And in a town... come on.
Is this one of...	Also...
And the French were also fighting the British... mmm.	It's back.
	Let's see what's in the open com... [laughs]
	How did it look?

[blows party blower]

All right... whoa!

Oh god, that was awful. I'm still angry. I blame you, Stan. [laughing from back] I know I suggested it! But you didn't say no strongly enough.

Grizzlor's only dance is the robot.

I'm not this bad when y'all aren't here, I promise.

[from back] Don't break my chair!

I went in too far. [from back] No, I liked it. [John] I was perfect. All right.

Crash Course produced... whoa!

interned by Meredith... [bleep]

Thanks for watching Crash Course... you want me to move up a little?

15th censually...

[laughing] Perfect.
